Transfer Out-of-Country Vehicle into Oregon

Use these instructions if you moved to Oregon and have the out-of-country ownership document or if you are already an Oregon resident and bought a vehicle with an out-of-country ownership document. Some vehicles from other countries do not comply with Oregon requirements and cannot be titled or registered.

ATTENTION:

- You cannot go to a DMV office to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- It may take 10 weeks for you to receive a title and 5 weeks to receive plates or stickers.

You may apply for a trip permit online if you are unable to get the requirements below. You should not be cited for expired trip permits at this time.

Provide the following to DMV:

- A completed Application for Title and Registration;
- The original foreign title or ownership document;
  - If it is lost, contact the other country to get a replacement.
- A certified translation for documents written in any language that uses a different alphabet than English;
- The original odometer disclosure, if required;
- Original releases or bills of sale from any previous owners;
- Original lien releases from any previous security interest holders;
- A completed Certification of Liens;
- A vehicle identification number (VIN) inspection at DMV drive up locations or by appointment, for $7;
- Proof the vehicle meets U.S. Federal Vehicle Standards;
  - This is usually a U.S. Customs and Border Protection Form CF7501 or CBP7501, or original letter from the manufacturer. For questions about U.S. Customs inspection requirements: U.S. Customs and Border Protection: (503) 326-3260, U.S. Environmental Protection Agency (EPA): (734) 214-4100, U.S. Department of Transportation (NHTSA)
  - For vehicles imported by the U.S. military or U.S. military personnel, a written notice or form issued by the U.S. military is acceptable.
- The appropriate title fee.
