Transfer Out-of-State Vehicle into Oregon – No Lienholder

Use these instructions if you moved to Oregon and have the out-of-state title or if you are already an Oregon resident and bought a vehicle with an out-of-state title.

ATTENTION:

- You cannot go to a DMV office to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- It may take 10 weeks for you to receive a title and 5 weeks to receive plates or stickers.

If your out-of-state plates are expired or you do not have plates, you may apply for a trip permit online if you are unable to get the requirements below. You should not be cited for expired plates or trip permits at this time.

Provide the following to DMV:

- A completed Application for Title and Registration;
- The out-of-state title:
  - If the title is lost, contact the other state to get a replacement.
- The original odometer disclosure, if required;
- Original releases or bills of sale from any previous owners;
- Original lien releases from any previous security interest holders;
- A vehicle identification number (VIN) inspection at DMV drive up locations or by appointment, for $7 (or if you need emissions testing, at DEQ);
- If the odometer has 7,500 miles or less, you may need a Use Tax Certificate from the Oregon Department of Revenue; and
- The appropriate title fee.

Mailing and returning resident information is on page 2.

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- Proof of compliance, or exemption from, the Low Emissions Vehicle (LEV) requirement;
- A Certificate of Compliance for passing an emissions test at DEQ if your vehicle is required to be tested and you live in a DEQ area;
- Your plate choice; and
- The appropriate fee, based on your plate choice.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle insurance required by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.
If you titled your vehicle in another state, you must get a new Oregon title and registration (plates).

If you only registered your vehicle in another state, you do not need to title it again. If you still have the Oregon plates, you can use the plates and renew them if needed. If you do not have the plates, you can apply for replacements.

If you need a DEQ test before applying, check out their website for options and closures.

If you have all requirements and fees, mail your transaction to:
