

Transfer Ownership – Oregon Title is Lost

If you bought a vehicle and the Oregon title is lost, you may be able to get a replacement title and transfer the title into your name at the same time. You cannot do a replacement title and transfer the title into your name at the same time if the vehicle is subject to [odometer requirements](#) and all owners are changing. If this is the case, the owner(s) on DMV records must [replace the Oregon title](#) and then disclose the odometer on the title for you.

ATTENTION:

- You **cannot go to a DMV office** to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- It may take **10 weeks** for you to receive a title and **5 weeks** to receive plates or stickers.
- You should not be cited for [expired plates or trip permits](#) at this time.

You may [apply for a trip permit online](#) if you are unable to get the requirements below.
