Replace Your Oregon Title

Replacement title information:

- DMV can only issue a replacement title if the title is lost, destroyed, or damaged.
- A stolen title is not considered lost if you know, or believe you know, who stole or has the title.

ATTENTION:

- You **cannot go to a DMV office** to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- It may take **10 weeks** for you to receive a title and **5 weeks** to receive plates or stickers.
- You should not be cited for expired plates or trip permits at this time.

Provide the following to DMV:

- A completed Application for Replacement Title, signed by all owners on DMV records; and
- The appropriate title fee.

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- If the vehicle does not already have plates, proof of compliance, or exemption from the Low Emissions Vehicle (LEV) requirement;
- A Certificate of Compliance for passing an emissions test at DEQ if your vehicle is required to be tested and you live in a DEQ area;
- Your plate choice, if the vehicle does not have plates or if you want a different plate; and
- The appropriate registration fee, based on your plate choice.

You can renew your registration or replace your plates online. If you need a DEQ test before renewing, **check out their website** for options and closures.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle **insurance required** by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.

If you have all requirements and fees, mail your transaction to:
