Transfer Ownership – Vehicle has Oregon Title

Use these instructions if you bought a vehicle with an Oregon title. You must apply to transfer the title within 30 days of purchase to avoid late fees.

Provide the following to DMV:

- A completed Application for Title and Registration;
  - Instead of printing this application, you can start your application online at DMV2U if you plan to go to a DMV office within 30 days.
- The Oregon title;
  - If the title is lost, you must apply for a replacement title using different instructions.
- The original odometer disclosure, if required;
- Original releases or bills of sale from all previous owners;
- Original lien releases from any previous security interest holders; and
- The appropriate title fee.

Submit the documents and payment to DMV.

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- If the vehicle does not already have plates, proof of compliance, or exemption from the Low Emissions Vehicle (LEV) requirement;
- A Certificate of Compliance for passing an emissions test at DEQ if your vehicle is required to be tested and you live in a DEQ area;
- Your plate choice, if the vehicle does not have plates or if you want a different plate; and
- The appropriate registration fee, based on your plate choice.

Submit the documents and payment to DMV.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle insurance required by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.
