Get a Salvage Title

Salvage title information:

- You must apply for a salvage title in some situations. Review the “Reason for Salvage Title” section at the top of the Application for Salvage Title for more information.
- Registration is cancelled once a salvage title is issued and you cannot apply for registration with a salvage title. If you would like to apply for registration, check the requirements for a reconstructed title.
- If your vehicle has certain damage (a junk vehicle) an Oregon title cannot be issued.

ATTENTION:

- You cannot go to a DMV office to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- Due to current workload, it may take 2-3 weeks for you to receive a title.

Provide the following to DMV:

- A completed Application for Salvage Title;
- The original Oregon title, out-of-state title, or other ownership document;
- The original odometer disclosure, if required;
- Original releases or bills of sale from all previous owners;
- Original lien releases from any previous security interest holders; and
- The $27 salvage title fee.
