

# You Can Now Get an Oregon Driver's License!

A new law allows people living in Oregon to get a driver's license or identification card without proof of citizenship or legal presence. You do not need a Social Security number or a U.S. birth certificate.

Visit [www.DriversLicenseForAll.com](http://www.DriversLicenseForAll.com) to learn the steps to apply for a driver's license or ID card.

You can use an Oregon driver's license to drive legally and for identification. But, starting October 1, 2021 you will not be able to use your license to get on an airplane or to enter a secure federal building or military base without a Real ID, passport, passport card, or military ID ([www.Oregon.Gov/RealID](http://www.Oregon.Gov/RealID)).
