NOTES: "This Year To Date" represents crashes entered into the database as of the publication date shown next to Table 1A. "Same Period Last Year" represents all crash reports received for the previous year, including reports received after the publication date. "Major Injuries" are serious (incapacitating) injuries. "Minor Injuries" are non-incapacitating, evident injuries.

NOTES: "This Year To Date" represents crashes entered into the database as of the publication date shown next to Table 1A. "Same Period Last Year" represents all crash reports received for the previous year, including reports received after the publication date. "Major Injuries" are serious (incapacitating) injuries. "Minor Injuries" are non-incapacitating, evident injuries.

NOTES: "This Year To Date" represents crashes entered into the database as of the publication date shown next to Table 1A. "Same Period Last Year" represents all crash reports received for the previous year, including reports received after the publication date. "Major Injuries" are serious (incapacitating) injuries. "Minor Injuries" are non-incapacitating, evident injuries.
