Portland Area Improvement Projects

**INTERSTATE HIGHWAYS**

1. Interstate 5 (Pacific Highway) — Complete repair and resurfacing from 2018 at the Barfield Interchange. Deck sealing on three ramps at the I-84 and I-5 interchange, MP 0. Two ramps will have full closures at night for one week each. One ramp will have lane closures at night for one week. Completion: Summer 2019. [tinyurl.com/BarfieldConstruction].

4. Interstate 5 (Pacific Highway) — Preparation work to repair the lift mechanism of the northbound Interstate Bridge in 2020, MP 307 - 308. North and southbound bridges closed for one night each this summer, with traffic in the closed direction detoured to I-205. Completion: Summer 2019. [www.interstatebridge.org].

5. Interstate 5 (Pacific Highway) — Strengthen the bridge at SW Terwilliger Boulevard and SW Bartha Boulevard, maintain long-term safety on the two on-ramps to I-5 northbound. MP 392. Each ramp to be closed for up to 10 days. No impacts to I-5. Completion: Summer 2019. [tinyurl.com/OtRampMaintenance].

7. Interstate 405 (Sunset Highway) — The second year of the Glenn Jackson Bridge to Johnson Creek project will construct two auxiliary lanes and pave a section of northbound I-205. MP 26 - 25. Periodic lane, full directional, and ramp closures. From 10 p.m. Aug. 2 until 5 a.m. Aug. 5, I-205 north will be closed from Foster Road to I-84. Two-week closure of northbound Killingsworth Street off-ramp. Periodic full northbound or southbound closures overnight, including one night with the Glenn Jackson Bridge closed in both directions. Completion: Fall 2019. [www.OOR2Construction.org].

8. Interstate 205 (East Portland Freeway) — Replace I-84 bridges over Graham Road in Troutdale. Raise bridges, widen parts of Graham Road, add a sidewalk and bike lane to Graham Road, MP 17 - 16. Intermittent closures with detours throughout the project on Graham Road, I-84, and the frontage roads. Traffic through I-84 to be shifted to a temporary detour bridge during construction. Completion: Winter 2020. [www.i84trautlade.org].

10. Interstate 405 (Stadium Freeway) — Repair and replace freeway joints on the elevated sections of I-405 on either side of the Fremont Bridge and at U.S. 26, MP 3 - 4. Approximately 25 weekend closures of on- and off-ramps. Nighttime single and double lane closures, nightime and weekend closures of ramps, weekend daytime lane closures, and full 24/7 closure of U.S. 30 east to I-405 south (11 days) and U.S. 30 east to I-405 north (4 days). Significant traffic delays and congestion are expected. Completion: Fall 2020. [www.OOR4Construction.org].

11. Interstate 405 (Stadium Freeway) — Improve strength and maintain the long-term safety of the SW 12th Avenue Bridge in Portland, MP 0. No impacts to I-405. One-way traffic on SW 12th Avenue controlled by flaggers. Completion: Summer 2019. [tinyurl.com/12thAveMaintenance].

**U.S. HIGHWAYS**

12. U.S. 26 (Powell Boulevard) — Make improvements to Outer Powell Boulevard from SE 122nd Avenue to SE 136th Avenue. Install sidewalks, crosswalk improvements, new curb separated bike lanes, center turn lanes, and storm drains. Two-way traffic maintained on Powell Boulevard, some intermittent nighttime lane closures with flaggers controlling traffic. Both directions to have a marked pedestrian path and striped bike lane. Traffic to be shifted to the north side of Powell Boulevard through spring and summer as construction begins on the south side. Completion: Full 2023. [www.OuterPowellSafety.org].

14. OR 99 (Columbia River Highway) — Make safety improvements at the intersection of OR 219 in Hillsboro, including paving, new traffic signals and signs, improved lighting, wheelchair accessible curb ramps, and a new southbound left turn lane at the South First Avenue and SW Oak Street intersection, MP 13. Lane closures and intermittent crosswalk closures with pedestrian and bicycle detour signs or flaggers. Detours will be accessible to people with disabilities. Completion: Summer 2019. [www.OR99Construction.org].

16. OR 99W (Barbur Boulevard) — Make improvements to OR 99W from SE 44th to SE 45th avenues, including a new flashing beacon and advanced warning signs, improved lighting, and wheelchair accessible curb ramps, MP 10. Lane closures and intermittent crosswalk closures with pedestrian and bicycle detour signs or flaggers. Detours will be accessible to people with disabilities. Completion: Summer 2019. [www.OR99Construction.org].

17. OR 8 (Tualatin Valley Highway) — Make safety improvements at the intersection of OR 219 in Hillsboro, including paving, new traffic signals and signs, improved lighting, wheelchair accessible curb ramps, and a new southbound left turn lane at the South First Avenue and SW Oak Street intersection, MP 13. Lane closures and intermittent crosswalk closures with pedestrian and bicycle detour signs or flaggers. Detours will be accessible to people with disabilities. Completion: Summer 2019. [www.OR8Construction.org].

**OREGON HIGHWAYS**

19. OR 3 (McKee Bridge) — Complete repair and resurfacing from 2018 at the Barfield Interchange. Deck sealing on three ramps at the I-84 and I-5 interchange, MP 0. Two ramps will have full closures at night for one week each. One ramp will have lane closures at night for one week. Completion: Summer 2019. [tinyurl.com/McKeeRampMaintenance].
