Operational Notice

PD-06a Certification for Transportation Project Management

Attachment A

Appointing Authority Exception Letter

According to ODOT's Workforce Development policy (PER 14-04-01), *Professional Certification and Licenses*, Deputy Directors and Division Administrators, on an exception basis, have the discretion to authorize up to 100% of the cost for approved programs that may be undertaken as part of succession planning, workforce diversity, or mission-critical staff development needs.

This letter serves as the exception and as authorized approves the 100% reimbursement of examination fees and associated preparation training course work as described in the Delivery and Operations Division's Operational Notice PD-06a, *Certification for Transportation Project Management*.

A handwritten signature in dark ink, reading 'McGregor Lynde', positioned above a solid horizontal line.
