Yes No I have reviewed the ODOT Product Review Guidelines for the category(ies) I have requested and this product meets the requirements.

DISCLAIMER: Acceptance of a product for evaluation by the Oregon Department of Transportation is in no way a commitment to purchase, recommend, or specify the product investigated, regardless of its performance. In addition, the manufacturer and vendor shall be responsible for all liabilities for injuries caused by defect in the design of, or manufacture and labeling of their products. The manufacturer is responsible for keeping ODOT informed as to any changes in the product makeup, manufacture location, distribution, and representatives. Any changes without proper notification could result in rejection of the product. Do not submit any secrets or confidential documentation. Do not send samples unless we have asked for them specifically.
