Oregon Department of Transportation

(ODOT Only) Permit Number

Permit Application Supplemental Questionnaire – Data Center

Per the Governor's direction to state agencies, as of September 2026, all unapproved permit requests which support data center projects shall be paused. Please complete the following form fields to help determine whether your proposed actions meets this criteria.

Consideration and issuance of an Application and Permit to Occupy or Perform Operations Upon a State Highway is presumed on true and accurate information provided by the applicant in the application and all supplements. ODOT reserves the right to revoke any permit that is issued based on inaccurate information or any subsequent change of use that would otherwise be prohibited by ODOT or the State of Oregon.

Applicant Name Date

Project Owner (If other than applicant) Highway and Milepoint

1. Does your proposed action include installing features on ODOT property or right of way that are intended to support a data center?

◯ Yes ◯ No

2. If Yes, provide documentation on any other intended uses clearly demonstrating the service to a new data center is not the primary use.
