## Registration, license grace period extended to Dec. 31

Vehicle registrations and temporary permits that expire during the pandemic are included in a law enforcement grace period through the end of the year under a bill passed this summer by the Legislature.

Last spring, the Oregon Department of Transportation has partnered with Oregon law enforcement agencies to exercise discretion in their enforcement of vehicle registrations and trip permits that expire during the COVID-19 emergency.

On July 7, Gov. Kate Brown signed into law Senate Bill 1601, which creates a moratorium on citations for certain DMV-related activities due to the COVID-19 pandemic and the subsequent reduction of DMV services effective between March 1, 2020 and Dec. 31, 2020.

This means that a police officer cannot issue a citation for the following DMV products if they expired during the March 1 through Dec. 31, 2020, time frame:

- Driver license and identification cards

- Passenger vehicle registrations
- Commercial vehicle registrations
- Trip permits and temporary registration permits
- Disabled parking permits

Read a public notice about the grace period here: [www.oregon.gov/odot/DMV/docs/Citation\\_Moratorium\\_Memo.pdf](http://www.oregon.gov/odot/DMV/docs/Citation_Moratorium_Memo.pdf).

### DEQ and Registration

In the Portland and Medford areas where Oregon requires passage of a DEQ emissions test before registration renewal, you can renew registration at the DEQ or online at DMV2U.Oregon.gov.

Most DEQ testing stations reopened in June. Check out Oregon.gov/DEQ for information on hours.

DEQToo™ businesses also provide DEQ testing. Visit DEQToo.org for more information. Once you pass the test with one of these partner businesses, you can renew online at DMV2U.

## Oregon declared Real ID compliant

The Department of Homeland Security notified Gov. Kate Brown on Aug. 3 that Oregon is in compliance with the federal Real ID Act.

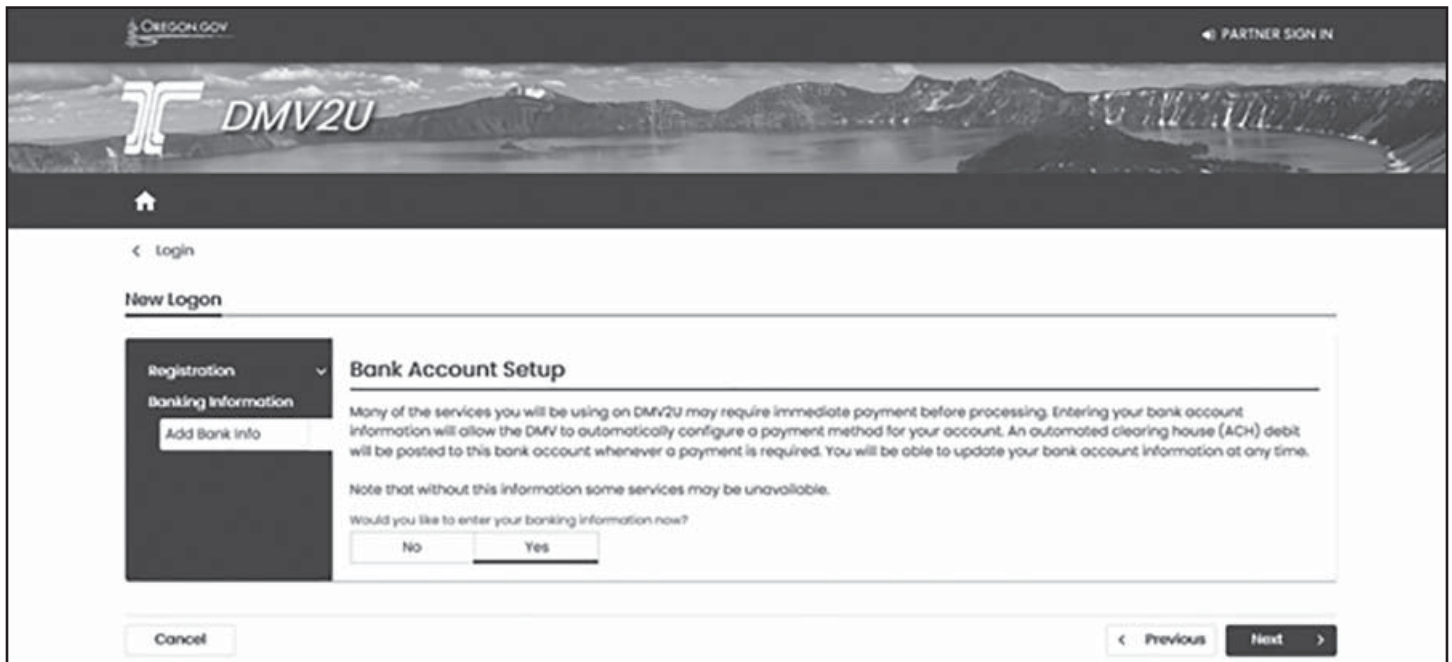

As of Oct. 1, 2021, the Transportation Security Administration will require identification that complies with the Real ID Act to pass through airport security when boarding a domestic flight. This date was moved forward one year due to the

COVID-19 pandemic.

You can continue to use your standard Oregon driver license or ID card for domestic air travel until October 2021. Even after that, your standard Oregon license or ID card will continue to be valid for everything else that you use it for today.

Visit [Oregon.gov/RealID](http://Oregon.gov/RealID) to find out if you need the Real ID option and if so what documents need.

# How to order trip permits on DMV2U

As of July 6, 2020, dealers can purchase trip permits through their DMV2U dealer account.

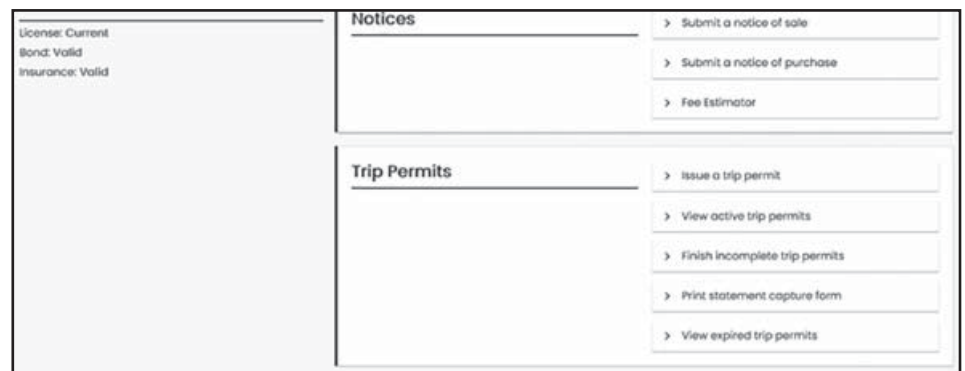

If you have not set up an automated clearing house (ACH) debit to your DMV2U account, you will need to contact the Business Licensing Unit at 503-945-5052 if you do not have administrator or “Full Control” access. The account administrator must have Full Control access in order to add bank account information on DMV2U.

The administrator has the ability to update the account access for all logins. The login (even though it may be for the admin login) still must to be granted the correct account access to be able to add a bank account. The administrator must log in and then update account access to allow all access. Follow the steps below:

1. Login to your DMV2U account.
2. Once logged in click on the “Manage My Profile” hyperlink. The link is located to the right of

**ABOVE:** As of July 6, 2020 dealers can purchase trip permits on DMV2U. In order to be able to issue trip permits you must setup your bank account information that will allow the DMV to automatically configure a payment method for your account. When registering your DMV2U account, please make sure you select Yes in the Add Bank Info section. You will be required to enter your bank account type, routing number and account number.

**BELOW:** Once the account has been setup and you sign in you will be able to issue trip permits.

the screen.

3. Click on the “More...” tab.
4. Click on the “Manage Your Access” from the Access Management panel.
5. If you currently do not have Full Control access you need to click on the “Submit Requests” and “Make Payments” hyperlink.

Change that to Full Control by clicking on the drop-down menu and select “Full Control.”

6. Click “Save.”
7. Click on the home icon on the left of the screen.
8. In the “Notices” panel you should now see the option to “Add or update a bank account.”

# Proposed Civil Penalties and Sanctions

Dealer	City	Violations Found	Offense	Count	Amount
<b>UNLICENSED DEALERS</b>

NW Metals Inc dba Northwest Motors (3 Year Suspension)	Portland	Failure to submit title, fees and all documents to DMV within 90 days	1	8	\$8,000

NOTE: Civil penalty amounts may not reflect settlements or judgments

## More services online in new DMV system

Oregon DMV completed a multi-year project to replace its computer systems on July 6.

The replacement is part of the broader DMV Service Transformation Program – a 10-year, \$90 million investment in the future of DMV. Replacing antiquated technology originally installed in the 1960s and '70s was the first step in DMV's effort to expand online services and explore other modern improvements to do business better.

### New online services

A host of online services are now available, enabling Oregonians to get even more of their DMV services through their personal computers or smart phones. Now customers can:

- Schedule DMV appointment
- Replace lost, damaged or stolen license or ID card
- Upload commercial driver medical examiner certificate
- Order driving record
- Pay reinstatement fee
- Begin driver license or ID card application for an initial issuance

Customers can see all DMV's online services at [DMV2U.Oregon.gov](http://DMV2U.Oregon.gov).

# Highway Fund forecasts \$170 million loss

ODOT's July revenue forecast reflects the financial losses the State Highway Fund has sustained due to the economic downturn.

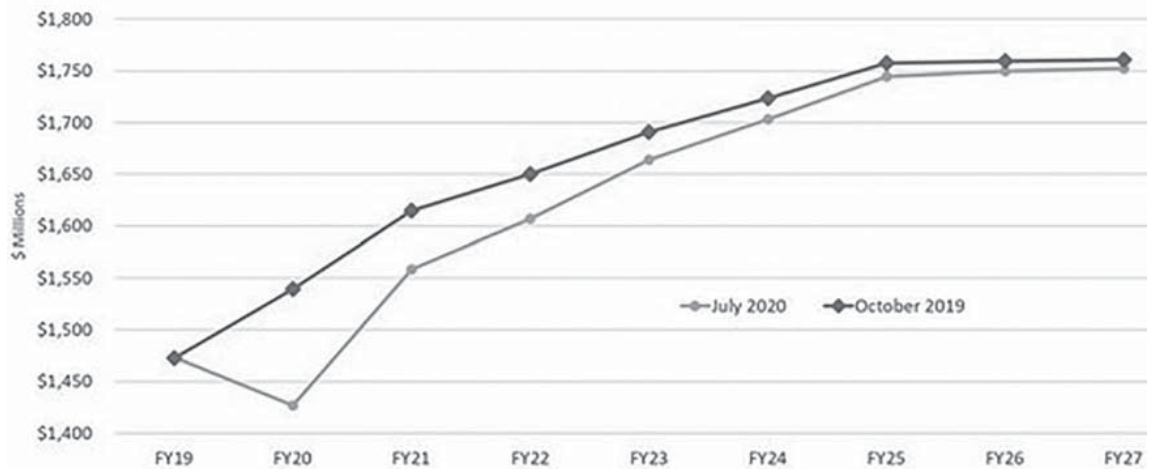

You can review the forecast at [www.oregon.gov/odot/Data/Pages/Revenue-Forecasts.aspx](http://www.oregon.gov/odot/Data/Pages/Revenue-Forecasts.aspx)

This update to the April forecast increases the total estimated revenue loss to \$170 million for 2020 and 2021.

Because the state's projected economic recovery will extend into 2024, the impact will expand as well, increasing to a total of about \$250 million in lost revenue from 2020 to 2024, when compared to the October 2019 forecast.

This amount is split between cities, counties and ODOT, so the impact will be felt statewide.

"Certainly we will need to review the plans, projects and programs we had in place with the previous

The table compares the annual State Highway Fund revenue in the last two revenue forecasts.

budget to determine where we need to make adjustments," ODOT Deputy Director Travis Brouwer said. "We'll be working on specifics in the next few months."

Most road projects are paid for with federal dollars and with money allocated by the Legislature to specific projects, so it cannot be used for anything else without a legislative change.

However, the reduction in overall funding could impact some of ODOT's projects.

Facing a long-term budget shortfall that has been made worse

by COVID-19 and the economic downturn, the department established a Budget Task Force earlier this year. The group has been working through ideas for reducing costs, adjusting programs and more.

ODOT shared these initial ideas with the Oregon Transportation Commission during its virtual meeting on July 15, along with as discussing next steps to address the budget situation.

To watch the budget discussion, go to 2:49:00 at the meeting's YouTube link: [www.youtube.com/watch?v=rF0bU0PeLOQ](http://www.youtube.com/watch?v=rF0bU0PeLOQ)

## How dealers can ensure timely TOD invoice payments

Dealers should expect a longer than usual turnaround time for vehicle transactions as DMV catches up with a large backlog of mail, including title and registration work, due to COVID-19.

It is important to include the attention line to ensure delivery to the DMV TOD Desk.

To ensure payment for transitional ownership document (TOD) invoices are processed in a timely manner, please send your check to

this address:

Department of Transportation  
DMV Services  
**ATTN: DMV FINANCIAL and ACCOUNTS UNIT TOD Desk**  
1905 Lana Ave. NE  
Salem OR 97314-0001

You can receive a receipt for the TODs you have submitted by email, regular mail or fax. It is not mandatory for the submitter to use the email-based receipt program; a space is provided on the form to en-

ter the email where they would like the receipt sent.

You can download Form 735-227 here: [www.oregon.gov/odot/Forms/DMV/227fill.pdf](http://www.oregon.gov/odot/Forms/DMV/227fill.pdf)

Form 735-6950 was updated to include the name and address of the unit that processes new TOD billing accounts: DMV Financial and Accounts Unit – TOD Desk.

You can download that form here: [www.oregon.gov/odot/Forms/DMV/6950.pdf](http://www.oregon.gov/odot/Forms/DMV/6950.pdf).
