## Multnomah County Restricted Vertical Clearance Structures

(Clearances above County roads only, contact County for clearances below)

<b>Bridge</b>	<b>Maximum height allowed</b>	<b>Notes</b>
Broadway Bridge over Willamette River	12.5'	This restriction is specific to the outer lanes of the overhead truss spans. The inner lanes have at least 16' vertical clearance.
Stark St Bridge over Sandy River	13.5'	At overhead truss span
Hawthorne/Morrison Bridges over Willamette River	14.5'	At sign bridges

This table uses a 6" buffer from minimum clearance measurement for overlays, debris, bounce, and safety.
