## OREGON ADMINISTRATIVE RULE, 740-055-0140:

OUT-OF-STATE FARM VERIFICATION

(1) All out-of-state persons claiming a farm exemption from ORS Chapter 825 under ORS 825.024 shall:

(a) Obtain a temporary pass from the Oregon Department of Transportation, Commerce and Compliance Division (CCD) and pay highway use tax at the time of entry into Oregon;

(b) Complete the Out-of-State Farm Verification form and have an appropriate tax assessor or other authorized official sign and notarize it.

(2) The Out-of-State Farm Verification form shall be valid for two years from date of approval by the CCD unless revoked by the CCD. Upon receipt of a valid Out-of-State Farm Verification form, the CCD shall reimburse fees paid by qualified farmers provided the verification complies with ORS 825.024, and the claim is submitted within 90 days of the date the temporary pass was obtained.

(3) If you have registered your vehicle(s) in a state that does **not** show farm operations on the registration card or plate, you must get a temporary pass for travel on Oregon highways and file the Out-of-State Farm Verification form.

## FORM 735-9477 INSTRUCTIONS:

If you paid for one or more temporary passes, mail or FAX copies of them with this form as a request for refund. You may continue to submit copies of any additional temporary passes purchased. When the CCD approves the exemption, a copy of the approved Form 735-9477 will be mailed or FAXED to you. You must carry it in each vehicle you operate in Oregon. (You may make additional copies.) The CCD will send separately any refund due from the approved Form 735-9477 for requests submitted within 90 days of the date a temporary pass was obtained.

If you add vehicles to your farm operations, you must complete a new verification that includes the plate number, year, make, body type, vehicle identification number, and weight to the CCD. Attach it to your copy(ies) of the approved form.

Mail or FAX the completed Form 735-9477 to the Oregon Department of Transportation, Commerce and Compliance Division.
