**Notes**

1. This roster is maintained by LaneACT staff. Please contact Bill Johnston (bill.w.johnston@odot.oregon.gov) if any information needs to be updated.
2. Most members prefer to be contacted by email. Their email addresses are provided in Column 7. LaneACT staff maintain a separate version of this roster that includes phone numbers and mailing address. (Refer to the MS Excel version of this document, hidden columns 7A and 7B.)
3. The *OTC Policy on Formation and Operation of the ACTs* requires 50 percent of the members (or member organizations) to be elected officials (or represented by elected officials). Column 8 indicates those members who are elected officials. If both the primary and alternate representatives are elected officials, only one of them counts toward the 50 percent requirement. The primary representative from LTD is appointed by the governor. They are considered to be an elected official for the purpose of meeting this requirement. The representative from CLMPO counts toward the 50 percent requirement only if they are an elected official.
4. Column 9 indicates the end date of the elected official's term as an elected official. This may or may not be the same as the end date of their service on the LaneACT. Local governments and agencies determine how long their representatives will serve.
5. Column 10 indicates the start date the member's appointment to the LaneACT. Blanks indicate that staff does not have this formation. Members are asked to provide this, if they recall their start date.
6. Column 11 indicates the date the members term on the LaneACT expires. This only applies to special interest members who are appointed by the LaneACT. Other members are appointed by their organizations and serve as long as the organize decides they should serve.
7. There are two categories of LaneACT special interest members. (ODOT does not use the term stakeholder.) **(a) Designated Special Interest** members represent specific transportation-related areas of interest specified in the LaneACT Bylaws. The bylaws provide for both a primary and alternate representative. **(b) Other Special Interest** members do not need to represent a specific area of interest. The areas of interest shown in the roster for these members indicate the area of interest they happen to represent. These members do not have alternates.
8. Non-participating jurisdictions have either formally indicated they do not want to participate in the LaneACT or have simply stopped attending meetings. Temporarily inactive jurisdictions are expected to resume participating after their vacancies are filled. Non-participating and temporarily inactive are not defined in the bylaws. Member jurisdictions with these status designations are simply considered vacant positions. Vacant positions are not included in the quorum calculation. Refer to LaneACT bylaws: 4.B, Vacancies.
9. Some vacant special interest positions (e.g., disability community) are temporarily vacant. They are expected to be filled in the near future. Other vacant positions (e.g., trucking and rail) have been vacant for several years because it is difficult to find individuals willing to serve. Vacant special interest positions are not included in the quorum calculation.
