Memorandum

To: Oregon Task Force on Autonomous Vehicles, Subcommittee on Workforce Changes
From: ODOT Staff
Date: August 6, 2019
Re: Reference materials

Introduction
This document is a compilation of the studies and references used or discussed in the Subcommittee on Workforce Changes. It also includes some relevant documents collected by ODOT staff and subcommittee members. This list is supposed to help policymakers carry out further research and to demonstrate some of the grounding for the subcommittee’s work products.
