Definitions and Acronyms
For the purposes of Division 36 rules, the following terms have the following definitions, unless the context clearly indicates otherwise:

1. “Agreement” means a legally binding contract between the Department and Recipient that contains the terms and conditions under which the Department is providing funds from the Multimodal Active Transportation Fund for an Approved Project.

2. “Applicant” means a Public Body or Private Entity that applies for funds from the Multimodal Active Transportation Fund.

3. “Approved Project” means a project that the Commission has selected to receive funding through a grant from the Multimodal Active Transportation Fund.

4. “Bicycle” has the meaning given a bicycle as defined in ORS 801.150 or an electric assisted bicycle as defined in ORS 801.258.

5. “Bicycle path” means a way that is open to the public and designated for use by persons bicycling, including, but not limited to, bicycle paths as defined in ORS 801.160 and bicycle trails as defined in ORS 366.514. Bicycle paths may be located on or off of road, street, or highway right of way.

6. “Critical link” means a multiuse path, bicycle trail, or footpath, in an area that meets one or more of the following criteria:

   a. Improves walking and bicycling access to high need locations (i.e., transportation disadvantaged areas, schools, shopping or employment centers, medical services, connections to transit and regional paths, and downtowns);

   b. Improves walking and bicycling access in areas where no connections exist, transportation options are limited, or significant safety concerns are addressed by the improvement.

7. “Commission” means the Oregon Transportation Commission.

8. “Department” means the Oregon Department of Transportation.

9. “Director” means the Director of the Oregon Department of Transportation.

10. “Final Project Acceptance” means the department’s written acceptance of a transportation project as complete following an on-site review of the completed project.

11. “Footpath” means an accessible way that is open to the public and designated for use by persons walking, or as otherwise specifically provided by law or a governing body. Footpaths may be located on or off of road, street, or highway right-of-way.

12. “Multiuse path” or “Multiuse trail” means an accessible way that is open to the public and designated for use by persons walking, bicycling, and using other forms of non-motorized transportation, or as otherwise specifically provided by law or a governing body. Multiuse paths may be located on or off of road, street, or highway right-of-way.

13. “Oregon Bicycle and Pedestrian Advisory Committee” means the committee created in ORS 366.112.

14. “Pedestrian” has the meaning given in ORS 801.385.

15. “Private Entity” has the meaning given in ORS 367.802.

16. “Program” means the Multimodal Active Transportation Fund Program established by Division 36 rules to administer the Multimodal Active Transportation Fund.

17. “Program Funds” means the money appropriated by the Legislature to the Multimodal Active Transportation Fund. These funds may be used as grants to eligible projects.
(18) "Project Sponsor" means a public body or private entity seeking funds to develop and implement a dedicated project. ¶
(19) "Public Body" has the meaning given in ORS 174.109. ¶
(20) "Recipient" means a public body or private entity that enters into Agreement with the Department to receive funds from the Multimodal Active Transportation Fund. ¶
(21) "Recipient's Total Project Costs" means the funds received from the Multimodal Active Transportation Fund program plus the matching funds required under Oregon Administrative Rule 731-036-0110(2)(b) and any additional funds, if applicable. ¶
(22) "Regional path" means a multiuse path or trail, including bicycle trails and footpaths, that meets the following criteria for Regional Path designation:¶
(a) Is a continuous path made up of one or more connected segments that is primarily physically separated from the roadway. ¶
(b) Connects two or more communities, with each community no more than 15 miles apart, or traverses through a single large community with a path that is 10 miles or longer. ¶
(c) Will serve as a connection point for people commuting between communities, or is a part of an officially designated walking and bicycling route; and ¶
(d) Is endorsed by elected bodies along path alignment. ¶
(23) "Transportation Project" is defined in ORS 367.080(1)(e). ¶
(24) "Walking" means use of human-powered forms of transportation, including, but not limited to travel to a destination by foot or wheelchair.

RULE SUMMARY: Establishing this Multimodal Active Transportation Fund program as a result of HB 2017 and HB 2592.

CHANGES TO RULE:

731-036-0030
Multimodal Active Transportation Fund Purpose
(1) The Multimodal Active Transportation Fund was established by ORS 367.081 to provide grants for pedestrian and bicycle transportation projects. Pedestrian and bicycle transportation projects include the development, construction, reconstruction, resurfacing, or other capital improvement of multiuse paths, bicycle paths, and footpaths that improve access and safety for people walking and bicycling.
(2) Funding for transportation projects that comes from the money directed into the Multimodal Active Transportation Fund under ORS 367.081 must be used in accordance with the Oregon Constitution. Transportation projects must be for a public purpose and have a minimum useful life expectancy of at least twenty years.

Project Selection Criteria
The following criteria may be used to select projects for receipt of funds from the Multimodal Active Transportation Fund:

1. Technical merit:
   a. Conformance with adopted plans, state land use laws, and applicable federal, state, and local planning and programming requirements;
   b. Application of appropriate design standards;
   c. Proposed solution addresses identified need;
   d. Ability of Applicant to provide at least the minimum required match.

2. Project readiness. A project may be considered ready for construction if the Applicant can demonstrate:
   a. Evidence of community engagement/outreach prior to application submission and plan for continued community engagement related to project. This may include consistency with adopted plans, demonstration of community support, documentation of known or potential opposition, and/or letters of support from impacted property owners and other stakeholders (e.g. Area Commission on Transportation, Metropolitan Planning Organization);
   b. Support from the appropriate public agency or road authority (if project is located on public property or right of way) and governing body for the project as demonstrated by a letter of support and endorsement;
   c. Submission of a project development timeline that includes a proposed start date, the duration of each development stage and dates of major milestones to reflect project completion within 5 years of the effective date of the Project Agreement;
   d. Submission of a letter of commitment to provide matching funds in concordance with the project timeline;
   e. Proof of site ownership or control, such as recorded deed, irrevocable option for sale, resolution of condemnation action, or schedule to obtain site ownership or control within the project development timeline;
   f. Submission of a schedule to demonstrate that environmental and land use decisions, including appeals can be completed within the project development timeline; and
   g. Submission of a schedule to demonstrate that all permits needed for construction can be obtained within the project development timeline, if not obtainable within nine months of the effective date of the Project Agreement.

3. Benefit. A Project will be considered to be a public benefit if the Applicant can demonstrate that the Project can meet one or more of the following objectives:
   a. Project improves transportation system connectivity and the ability of people to walk and bicycle to work, school, and other destinations;
   b. Project improves public health and safety;
   c. Project meets community outcomes such as improved livability, safety, and connectivity;
   d. Project improves equity outcomes;
   e. Project maximizes community benefits relative to project costs.

4. Project Characteristics:
   a. Project establishes or improves a critical link or improves a regional path;
   b. Project is near high need locations as defined in Oregon Bicycle and Pedestrian Plan;
   c. Project supports other ongoing or planned infrastructure or non-infrastructure work.

Application Review
(1) The Department will review applications received to determine:
(a) Whether the application is complete per the requirements of OAR 731-036-0070, and
(b) Whether the Applicant and the Project are eligible for Program Funds per the requirements of OAR 731-036-0050 or 731-036-0060.
(2) If the Department determines that an Application is not complete or that the Applicant or Project is not eligible for Program Funds, the Department will notify the Applicant that the application request is incomplete or ineligible within 15 business days of the determination.
(a) The Department may deem an application ineligible if the Applicant fails to meet eligibility requirements of OAR 731-036-0050 or 731-036-0060 or if the application contains false or misleading information.
(b) The Department may deem an application incomplete if it is not in the format prescribed by the Department or is not accompanied by information required by the Department per OAR 731-036-0070.
(3) The Director will consider protests of the eligibility or completeness determination for the Project. Only the Applicant may protest. Protests must be submitted in writing to the Director within 15 days of the event or action that is being protested. The Director's decision is final.
(4) The Department will make all eligible applications available for review to the Oregon Bicycle and Pedestrian Advisory Committee.

Project Selection and Award
(1) The Commission will select Projects to be funded through a grant with moneys in the Multimodal Active Transportation Fund. ¶
(2) Prior to selecting Projects to be funded with moneys in the Multimodal Active Transportation Fund, the Commission shall solicit a Final Recommendation Report from the Oregon Bicycle and Pedestrian Advisory Committee (OBPAC). OBPAC will evaluate the eligible applications and submit a Final Recommendation Report to ODOT and the OTC that will include: ¶
 (a) Recommendations from the committee, ¶
 (b) A list of projects recommended to be funded with moneys in the Multimodal Active Transportation Fund in priority order, and ¶
 (c) A list of alternate Projects in priority order. ¶
(3) After receipt of the Final Recommendation Report from OBPAC, ODOT will confirm Applicant's proof of availability of matching funds for the project. ¶
(4) The Department shall determine the organizational guidance for the committees' processes and protocols.

Grant Awards and Match
(1) Once a project is selected by the Commission under 731-036-0100 the amount of monies identified by the Commission is considered allocated from Program Funds to a Recipient for an Awarded Project. ¶
(2) Grants will be awarded only when there are sufficient funds available in the Multimodal Active Transportation Fund to cover the costs of the grants. ¶
(3) Grant awards may not exceed 70 percent of the total eligible Project costs. ¶
    (a) Applicant matching funds must be provided by the Applicant in the form of cash on hand, or through monetary outlay for eligible capital project costs that are reasonable, necessary and directly related to the project. Eligible costs may include, but are not limited to the costs to acquire property, costs to hire staff or consultants to conduct outreach, design, engineer, permit, and administer project, and costs to construct improvements described in the Awarded Project. Donated property, materials, and labor may not be counted towards match. ¶
    (b) Monetary outlays for (a) above must have been made within ten years of the application deadline for Multimodal Active Transportation grant fund submittals in order to qualify as eligible matching funds. ¶
(4) If an Agreement with a Recipient has not been executed within 180 days from the Commission's selection of the project, allocation may be withdrawn, and the funds may be reassigned by the Commission as prescribed in 731-036-0100.

Project Administration
(1) The Department will administer all grants. ¶
(2) The Department and an Applicant of an Approved Project will execute an Agreement prior to the disbursal of Program Funds for an Approved Project. The Agreement is effective on the date all required signatures are obtained or at such later date as specified in the Agreement. ¶
(3) The Agreement will contain terms including but not limited to: ¶
(a) A requirement that a written estimate of project costs for an Approved Project be submitted to the Department prior to the disbursal of any Program Funds. ¶
(b) Only Project costs incurred on or after the effective date of the Agreement are eligible for reimbursement. ¶
(c) Disbursal of Program Funds for grants will be paid on a reimbursement basis and will not exceed one disbursal per month. ¶
(d) Five percent (5%) of reimbursed expenditures will be withheld and shall be released to grant Recipient upon final project acceptance by the Department. ¶
(e) Upon request, a Recipient must provide the Department with a copy of documents, studies, reports and materials developed during the Project, including a written report on the activities or results of the Project and any other information that may be reasonably requested by the Department. ¶
(f) Recipients must separately account for all moneys received from the Multimodal Active Transportation Fund in Project accounts in accordance with Generally Accepted Accounting Principles. ¶
(g) Program Funds disbursed but not used for an Approved Project must be returned to the Department. ¶
(h) A change to the cost, scope, objectives or timeframe will require an amendment to the Agreement. ¶
(i) Department and Recipient will meet to discuss changes to scope due to reasonable unforeseen circumstances. ¶
(j) Recipients must covenant, represent and agree to use Project funds in a manner that will not adversely affect the tax-exempt status of any bonds issued under the Program. ¶
(L) Recipients, if applicable, must covenant, represent and agree to remain current on all state and local taxes, fees and assessments for the useful life of the Project as prescribed in the Agreement. ¶
(4) The Department may invoke sanctions against a Recipient that fails to comply with the requirements governing the Program as specified in this rule, statute or program guidelines. The Department will not impose sanctions until the Recipient has been notified in writing of such failure to comply and has been given a reasonable time to respond and correct the deficiencies noted. The following circumstances may warrant sanctions: ¶
(a) Work on the Approved Project has not been substantially initiated within 180 days of the effective date of the Agreement; ¶
(b) State statutory requirements have not been met; ¶
(c) The Department finds that Recipient is significantly deviating from the terms and conditions of the Agreement; ¶
(d) The Department finds that significant corrective actions are necessary to protect the integrity of the Program Funds for the Approved Project and those corrective actions are not, or will not be, made within a reasonable time; or ¶
(e) The Department finds that a Recipient is not current on all applicable state and local taxes, fees and assessments during the term of the Agreement. ¶
(5) The Department may impose one or more of the following sanctions if items in OAR 731-036-0110 and 731-
036-0120 are not met: ¶
(a) Revoke the Grant Award and terminate the Agreement. ¶
(b) Withhold unexpended Program Funds. ¶
(c) Require return or repayment of expended Program Funds ¶
(d) Bar the Applicant from applying for future Multimodal Active Transportation funds. ¶
(e) Other remedies that may be incorporated into grant Agreements. ¶
(6) The remedies set forth in this rule are cumulative, are not exclusive, and are in addition to any other rights and remedies provided by law or under the agreement. ¶
(7) The Director will consider protests of the funding and Project administration decisions for the Program. Only the Recipient may protest. Protests must be submitted in writing to the Director within 15 days of the event or action that is being protested. The Director’s decision is final. Jurisdiction for review of the Director’s decision is in the circuit court for Marion County pursuant to ORS 183.484. ¶
(8) The Director may waive non-statutory requirements of this Program if it is demonstrated such a waiver would serve to further the goals and objectives of the Program.
