Rules Coordinator

AMEND: 735-032-0010

NOTICE FILED DATE: 07/27/2022

RULE SUMMARY: The department determined that the cost to manufacture a single plate has crossed the half-dollar threshold and requires the department to round up to the next half-dollar. The cost to manufacture a pair of plates has also increased and results in a one dollar increase, after rounding to the higher half-dollar.

CHANGES TO RULE:

735-032-0010

Registration Plate Fees ¶¶

(1) ORS 803.570 requires DMV to establish the fee amounts for each registration plate issued and for each pair of plates issued.¶¶

(2) The plate fee amounts are calculated by:¶¶

(a) Determining the cost to manufacture a single registration plate and a pair of registration plates (cost), respectively, and rounding the cost amount(s) to the next higher half-dollar; and¶¶

(b) Adding \$10 for a single plate and \$20 for a pair of plates, respectively.¶¶

(3) Based on the calculation under section (2) of this rule, registration plate fees are:¶¶

(a) \$12.50 for a single plate issued (\$2.50 cost + \$10 = \$12.50).¶¶

(b) \$245.50 for a pair of plates issued (\$45.50 cost + \$20 = \$245.50).
