

Route Map 5 Legend

Route Map 5 shows authorized routes and travel time restrictions for permitted Triples combinations.

- Black routes are approved routes Triples combinations.
- Blue routes indicate holiday restricted routes for Triples combinations. Refer to your permit for specific times.
- Green routes indicate holiday/weekend restricted routes for Triples combinations. Refer to your permit for specific times.
- Red routes indicate Triples operations are not authorized at any time.

Grades exempt from minimum speed requirements. These exemptions apply to both directions of travel.
