MCTAC Summary Notes – January 16, 2025

Attendees: Members – Carla Phelps (ODOT-CCD), Mark Gibson (OTA), Donny Callahan (OTTA), Diane DeAutremont (Lile International), Kristan Mitchell (ORRA), Kaiger Braseth (Mountain West Moving), Andy Eno (FMCSA); Support – Jason Lawrence (ODOT-CCD)

Presenters and Guests – Christine Logue (OTA), Ben Kahn and Andrew Keck (ODOT-DMV), Justin Hauschild (ODOT-Government Relations), Leah Cisneros (ODOT-CCD), Elisha Brackett (ODOT-CCD), Jenny Galvin (ODOT-CCD), Nick Hopper (ODOT-CCD), Jess Brown (ODOT-CCD)

Previous meeting's minutes approved.

DMV Update – Ben Kahn and Andrew Keck, DMV: Ben and Andrew joined us to run through recent DMV updates, including the EEE (Exclusively Electronic Exchange) mandate for CDLIS; updates to DACH procedures; DMV2U online collision reporting improvements; and new DMV self-service kiosks.

Oregon Administrative Rule (OAR) Updates – Jason Lawrence, CCD: Jason walked us through recent updates to CCD's OARS, including annual adoptions, changes based on new statutory requirements and CCD procedural updates (see meeting materials for all Rule changes).

2025 Legislative Session Preview – Justin Hauschild, ODOT: Justin joined us to provide an overview of what's ahead in the 2025 legislative session.

Winter Safety: Chain Compliance – Leah Cisneros, CCD: Leah joined us to present some data and trends regarding winter travel safety and chain compliance in Oregon. Leah shared an overview of the work our Investigations and Compliance Unit undertakes, along with data and trends across the winter seasons of 2021-2022 through current data as of EOY 2024 (see slides for specific data).

ORION Update – Nick Hopper, CCD: Nick provided us with the latest update on CCD's new over-dimension permitting system, ORION, including the upcoming soft launch ahead.

MCSAP Partnerships with Law Enforcement and Region Enforcement Operations with FMCSA – Jess Brown, CCD and Andy Eno, FMCSA: Jess discussed work CCD conducts with current law enforcement partners, as well as highlighting potential for future partnerships. That discussion bridged into a recap of recent regional work with FMCSA and the potential for future operations with additional neighboring Western states. Andy used the recent FMCSA 1-70 Hotshot Event as an example of work we hope to see with Western states.

TOL Enhancement Project Update – Elisha Brackett, CCD: Elisha walked us through the new Oregon Trucking Online (TOL) account creation improvements.

Agenda build discussion. Close of meeting.

ORION

Oregon Routing Information Online Project Update

Nick Hopper, CCD Commercial Vehicle Licensing Services Branch Manager

Over-Dimension Permit System Replacement

ORION will replace the existing system to meet increasing OS/OW permit demand, complexity, and improve service levels.

Anticipated Benefits:

- Improved turnaround time
- Streamlined permit process
- Improved data collection and availability
- Increased safety and compliance
- Reduced risk to the infrastructure
- System available 24/7, 365 days/yr
- More time for all of us to focus on complex requests

Oregon Trucking Online (TOL) Updates

Jenny Galvin, CCD Tax Program Branch Manager

TOL Enhancement Project

Project Goal: Enhance TOL self-service capabilities and improve overall user-experience to better serve the motor carrier industry.

Phase 1: TOL Password (PIN) Reset & TOL Account Creation

Phase 2: Self-Service Online Credential Purchasing

Phase 3: General User-Experience/Design Improvements

Password Reset Capability

- Reset password without speaking to an analyst
- Reset link sent to email on file
- Process is more secure
- Users can create easier to remember password
- Improved self-service for TOL users
- Roll out June 2024

New TOL Account Creation

- User with CCD account can sign up for a TOL account online
- Create your own password with security question
- Immediate limited access to key functions
- After analyst review granted additional access depending on account status.
- Rollout February 2025

TOL Enhancement-Next Steps

- Planning to move from Cold Fusion to .NET
- Details and design Phase 2 Self-credentialing TBD.
- Phase 3 still includes improving user experience but also must upgrade platform to meet accessibility standards.
 - Requirement writing in progress.
