Subject: Tolling Program and State Agency Coordination

This letter is providing notice to the Department of Land Conservation and Development ("DLCD") pursuant to ORS 197.180, OAR 660, division 030 and OAR 731, division 015, that ODOT intends to issue a decision that the Tolling Program is not a Program Affecting Land Use.

ODOT strongly believes that the Toll Program as described in our notice clearly does not meet the definition of a program "Affecting Land Use." As such, we request that DLCD issue a letter to ODOT supporting our action. We thank you in advance for your continued support.

The NOTIFICATION OF PENDING DECISION THAT TOLLING IS NOT A LAND USE PROGRAM PURSUANT TO OAR is attached.

Sincerely,

Kristopher W. Strickler

Director
