STRATEGIC ACTION PLAN

Presented by:
Oregon Transportation Commission &
The Oregon Department of Transportation

October 2020

Strategic Action Plan Outcomes

1. Increase workforce **diversity**.
2. Implement a social **equity** engagement toolkit.
3. Reduce our **carbon** footprint.
4. **Electrify** Oregon's transportation system.
5. Improve **access** to active & public transportation.
6. Reduce **congestion** in Portland region.
7. More dollars to **BIPOC, women-owned** businesses.
8. Implement **transformative** technologies.
9. Implement large-scale **road usage charging**.
10. Achieve sufficient **funding**.

ODOT's vision for RUC

The OReGO program ensures sufficient, reliable and sustainable funding and...

Uses pricing to encourage efficient use and operations of the system.

Preserves and enhances equity, including socioeconomic equity, horizontal and vertical equity, and urban/rural equity.

Supports decarbonizing the transportation system through adoption of high-efficiency vehicles.

RUFTF & ODOT

Goals for 2022

1. **Make a concerted effort to pass RUC legislation in the 2023 legislative session**
2. **Maximize incorporation of feedback from RUFTF in the development of the legislative concept**
3. **Engagement & outreach**
 - Stakeholder engagement
 - Legislative engagement
 - Media and public outreach
