

Potential Legislation

Road User Fee Task Force

June 17, 2020

Mandates for Fleet by 2025

- Could include:
 - Public Fleets
 - Rental Car Companies
 - Car Share

Adjust Tiered Registration Rates

- Goal of achieving revenue neutrality
- Encourage people to enroll in OReGO

30+ mpg opt in by 2026

- Similar to the provision in HB 2881 of 2019 for 40+ mpg
- Allow 30+ mpg vehicles to opt into OReGO rather than pay enhanced registration fee

Medium-Duty Vehicles Pay by Weight by 2028

- ODOT study will determine whether a RUC system such as OReGO or a weight-mile-tax is more appropriate

Mandate for all new vehicles by 2029

- All vehicles with model year 2029 or newer will automatically be enrolled in road usage charge program
