(Temporary provisions relating to Connect Oregon Fund)

**Note:** Sections 8 and 9, chapter 748, Oregon Laws 2017, provide:

**Sec. 8.** (1) For the biennium beginning July 1, 2017, at the request of the Oregon Department of Administrative Services, in consultation with the Department of Transportation, the State Treasurer is authorized to issue lottery bonds pursuant to ORS 286A.560 to 286A.585 in an amount that produces $30 million in net proceeds and interest earnings for the purpose described in subsection (2) of this section, plus an additional amount estimated by the State Treasurer to be necessary to pay bond-related costs.

(2) Net proceeds of lottery bonds issued pursuant to this section and interest earnings must be transferred to the Department of Transportation for deposit in the Connect Oregon Fund established under ORS 367.080 in an amount sufficient to provide $30 million for the department to finance grants for transportation projects as provided in ORS 367.080 to 367.086 [series became 367.080 to 367.089].

(3) Bond-related costs for the lottery bonds authorized by this section must be paid from the gross proceeds of the lottery bonds and from allocations for the purposes of ORS 286A.576 (1)(c).

(4) The Legislative Assembly finds that issuing lottery bonds to finance transportation projects pursuant to this section is essential to promoting the state’s economic development, and the use of lottery bond proceeds is authorized based on the following findings:

(f) Public investment in transportation infrastructure will create jobs and further economic development in this state.

(g) The use of lottery bond proceeds as provided in this section will create jobs, further economic development, finance public education or restore and protect parks, beaches, watersheds and native fish and wildlife within Oregon, and issuance of lottery bonds for the purpose described in this section is therefore an appropriate use of state lottery funds under Article XV, section 4, of the Oregon Constitution, and ORS 461.510. [2017 c.748 §8]

Sec. 9. To the extent that proposed transportation projects meet the qualifications established by the Oregon Transportation Commission by rule, the commission shall allocate at least 10 percent of the net proceeds of the lottery bonds authorized by section 8 of this 2017 Act to each region described in this section. For purposes of this section, the regions are as follows:
