MAY-JUNE 2020 SAFE ROUTES TO SCHOOL PROGRAM QUESTION AND ANSWER SESSION

Learn how to apply for the ODOT Safe Routes to School Construction Grant Program funds and the Planning Assistance Program.

In the spring and summer of 2020, the Oregon Department of Transportation (ODOT) will solicit proposals for the second round of new Safe Routes to School (SRTS) Construction funding and Planning Assistance. ODOT staff presented a program overview and answer questions about this new opportunity in this recording,

<https://www.youtube.com/watch?v=QS2GkTczaLU&feature=youtu.be>. The presentation covers SRTS Program specifics

including, timeline, eligibility, proposal selection process, match requirements, and proposal development tips. The target audiences include city, county, tribes, transit agency staff, and interested public school representatives.

All Q&As are open to the general public.

Funding/Resources Opportunities:

Competitive Construction Grants

Street safety projects on the road right of way within a one-mile radius of schools that help students walk and bicycle to school safely.

Funding available this round: \$26 million

Request Minimum: \$60,000

Request Maximum: \$2 million

Match requirement: 40%, can be reduced to 20%

Eligible Entities: Cities, Counties, ODOT, Tribes, Road Authorities

Planning Assistance Program

This program provides a service to communities to identify construction projects and educational programs that address barriers to students walking and rolling to school in a new local plan.

Consultant services will be provided to up to 30 communities.

Eligible Entities: School Districts, Tribes, Road Authorities
