*Access for pedestrians, including those with disabilities, will be available and identified through or around the work zones.*

*This can be made available in alternate format on request by calling 503-373-7093 or via the Oregon Telecommunications Relay System: 7-1-1 or e-mail: [ODOTee@ODOT.state.or.us](mailto:ODOTee@ODOT.state.or.us).*

**PROJECT INFORMATION**

**About:**

The purpose of the U.S.20: 3rd St. – 15th (Greenwood, Bend) project is to improve mobility, access, and safety for motorists, transit riders, pedestrians and bicyclists. While upgrading, replacing, and rehabilitating aging infrastructure within the corridor, and upgrading ADA ramps to current standards.

The project will construct ADA compliant sidewalks, curb ramps and driveways along the corridor, as well as a multi-use path along 3rd St., and a new enhanced pedestrian crossing with median island refuge will be provided at 4th Street/US20/Greenwood Avenue intersection.
