

# I-84: I-5 to Hood River

## All Roads Transportation Safety (ARTS) Project

### Improving Safety and visibility at ramp interchanges on I-84

The All Roads Transportation Safety (ARTS) Program identifies intersections where a high concentration of crashes occur and then implements improvements to help reduce these crashes.

We're improving safety and visibility at 15 on and off-ramp interchanges on I-84 between downtown Portland and Hood River. Improvements include installing new illumination or replacing light bulbs with new LED bulbs, upgrading traffic signal heads and existing signs, and trimming overgrown vegetation.

Safety improvements include installing reflective backplates on traffic signal heads and upgrading existing signs for better visibility.

## Columbia River Gorge Construction

*I-84 & U.S. 30 (Historic Columbia River Highway)*

JANUARY 2026

# I-84: I-5 to Hood River

## All Roads Transportation Safety (ARTS) Project

## Columbia River Gorge Construction

### *Slow your roll and enjoy safer travel*

We're improving safety at multiple on and off-ramp interchanges on I-84 to bring you safer trips.

**¿Habla usted español?** Estamos mejorando y dando mantenimiento a las carreteras y senderos del Gorge para que sus paseos sean más agradables. He aquí información sobre los impactos en los viajes por el Gorge del río Columbia en 2025. Para más información, visite [i84GorgeConstruction.org](http://i84GorgeConstruction.org). Para recibir la información en español, por favor llámé al 503-731-4128.

## I-84: I-5 to Hood River - All Roads Transportation Safety (ARTS) Project

### Work Areas

We'll be working at the following interchanges on I-84 between downtown Portland and Hood River:

- NE Holladay & NE 1st (Portland)
- NE Grand Avenue (Portland)
- NE 13th Avenue (Portland)
- NE 33rd Avenue (Portland)
- NE Halsey Street (Portland)
- NE Glisan Street (Portland)
- NE 68th Avenue (Portland)
- NE Multnomah Street (Portland)
- NE 122nd Avenue (Portland)
- NE 181st Avenue (Gresham)
- NE Fairview Parkway (Fairview)
- NE 238th Drive (Wood Village)
- NE Marine Drive (Troutdale)
- 2nd Street (Hood River)
- U.S. 30 at Hood River Bridge (Hood River)

### Traffic Impacts

When work begins, expect daytime and nighttime single lane and shoulder closures at multiple intersections on I-84, with flaggers directing traffic at some locations. Work may also require temporary sidewalk and crosswalk closures with signed, temporary pedestrian accessible detour routes during construction.

### Nighttime Noise Impacts

To minimize traffic impacts during the day, some night work may be required. Those working or living in the area may hear the noise from heavy equipment and construction trucks. For concerns about nighttime noise during construction, contact the noise hotline at 503-294-1570.

### Construction Schedule

Construction is anticipated to begin in early 2026 and continue through fall 2026. The schedule is subject to change.
