Columbia River Gorge Construction

I-84 & U.S. 30 (Historic Columbia River Highway)

Gorge highways and trails improvement continue in 2023. We're improving highways and trails to bring you better trips on I-84 and on the Historic Columbia River Highway over the next few years. Last year we brought some projects to a close and began construction on others. See below for information about 2023 construction.

I-84 Paving (2023)

Paving and resurfacing to improve the safety and extend the lifespan of I-84.

- Nighttime lane and ramp closures on I-84 between I-205 and Exit 17 in Troutdale.
- Up to several weekend and nighttime closures of I-84 west at I-205 this summer.
- Nighttime closures of I-84 east at I-205 this summer.
- Periodic lane closures on NE 238th Drive to reconfigure the northbound signal with two dedicated left-turn lanes onto I-84 west.

Landslide Repair

Work continues to place culverts under I-84 and the Historic Highway to drain stormwater off the steep slope a mile west of Multnomah Falls, the site of nearly 30 debris flows in 2021.

- Periodic single lane closures on I-84.

Summer 2023 projects

U.S. 30 Cascade Avenue at Rand Road (2023-2024)

Improves inspection safety and accessibility, adds a traffic signal, improves or adds sidewalk and curb ramps, improves stormwater drainage, and adds new street lighting.

- Single lane closures, lane shifts and turning restrictions on U.S. 30 and Rand Road.
- Signed and accessible pedestrian detours.

Viento State Park to Mitchell Point (2022-2023)

Constructing 2 miles of a new segment of the Historic Columbia River Highway State Trail. We will construct the last .7 miles connecting to Mitchell Point as soon as 2026.

- Right lane closures on I-84 east around-the-clock in the spring and during the day Monday through Thursday in the summer.

TriMet's A Better Red Project (2021-2024)

Constructing a second track and new station for inbound MAX Red Line riders entering Gateway Transit Center as part of TriMet's A Better Red project.

- Shoulder closures on I-84 and I-205, and nighttime lane closures on I-84.
- Full ramp closures of Exit 7 on I-84 east.
- Several full weekend closures of I-84 at I-205.

I-84 Paving & Toothrock Tunnel (2022-Spring 2023)

In 2022 we finished repaving the highway between Multnomah Falls and Cascade Locks. Now, we're resurfacing the floor inside the Toothrock Tunnel and repairing several bridges in spring 2023.

- Around-the-clock lane closures on I-84 Sunday evenings to Thursday evenings and nighttime lane closures Sunday through Thursday nights.
- Speed reductions on I-84.

Mitchell Point Tunnel (2021-2024)

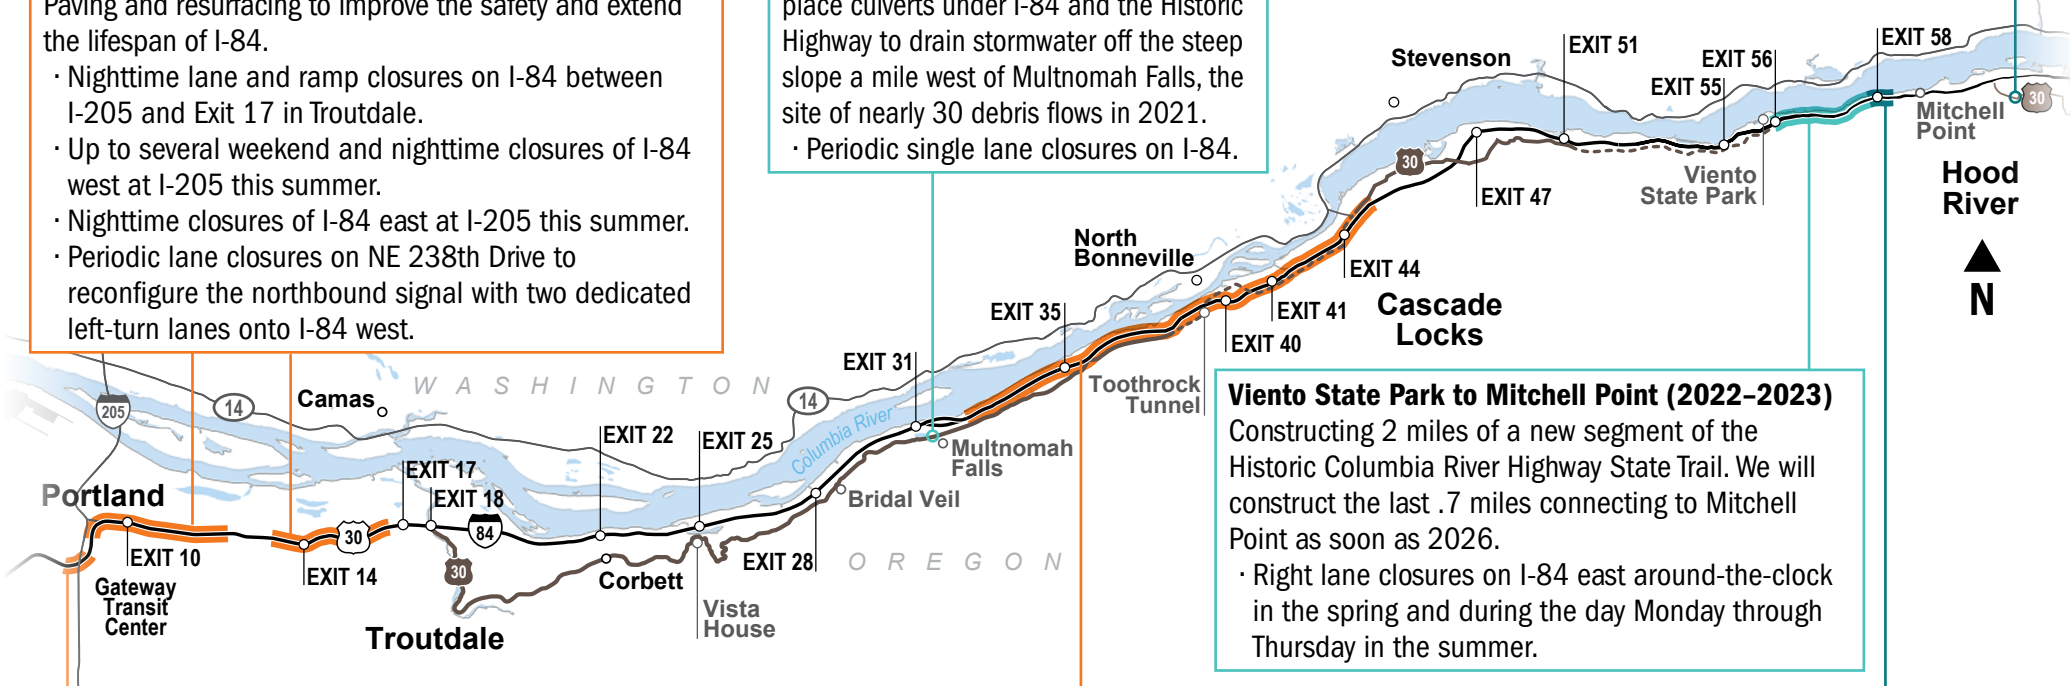

Constructing a new segment of the Historic Highway State Trail at Mitchell Point: A new tunnel with arched windows reminiscent of the historic tunnel.

- I-84 east Exit 58 is closed during construction.
