

CONSTRUCTION NOTICE

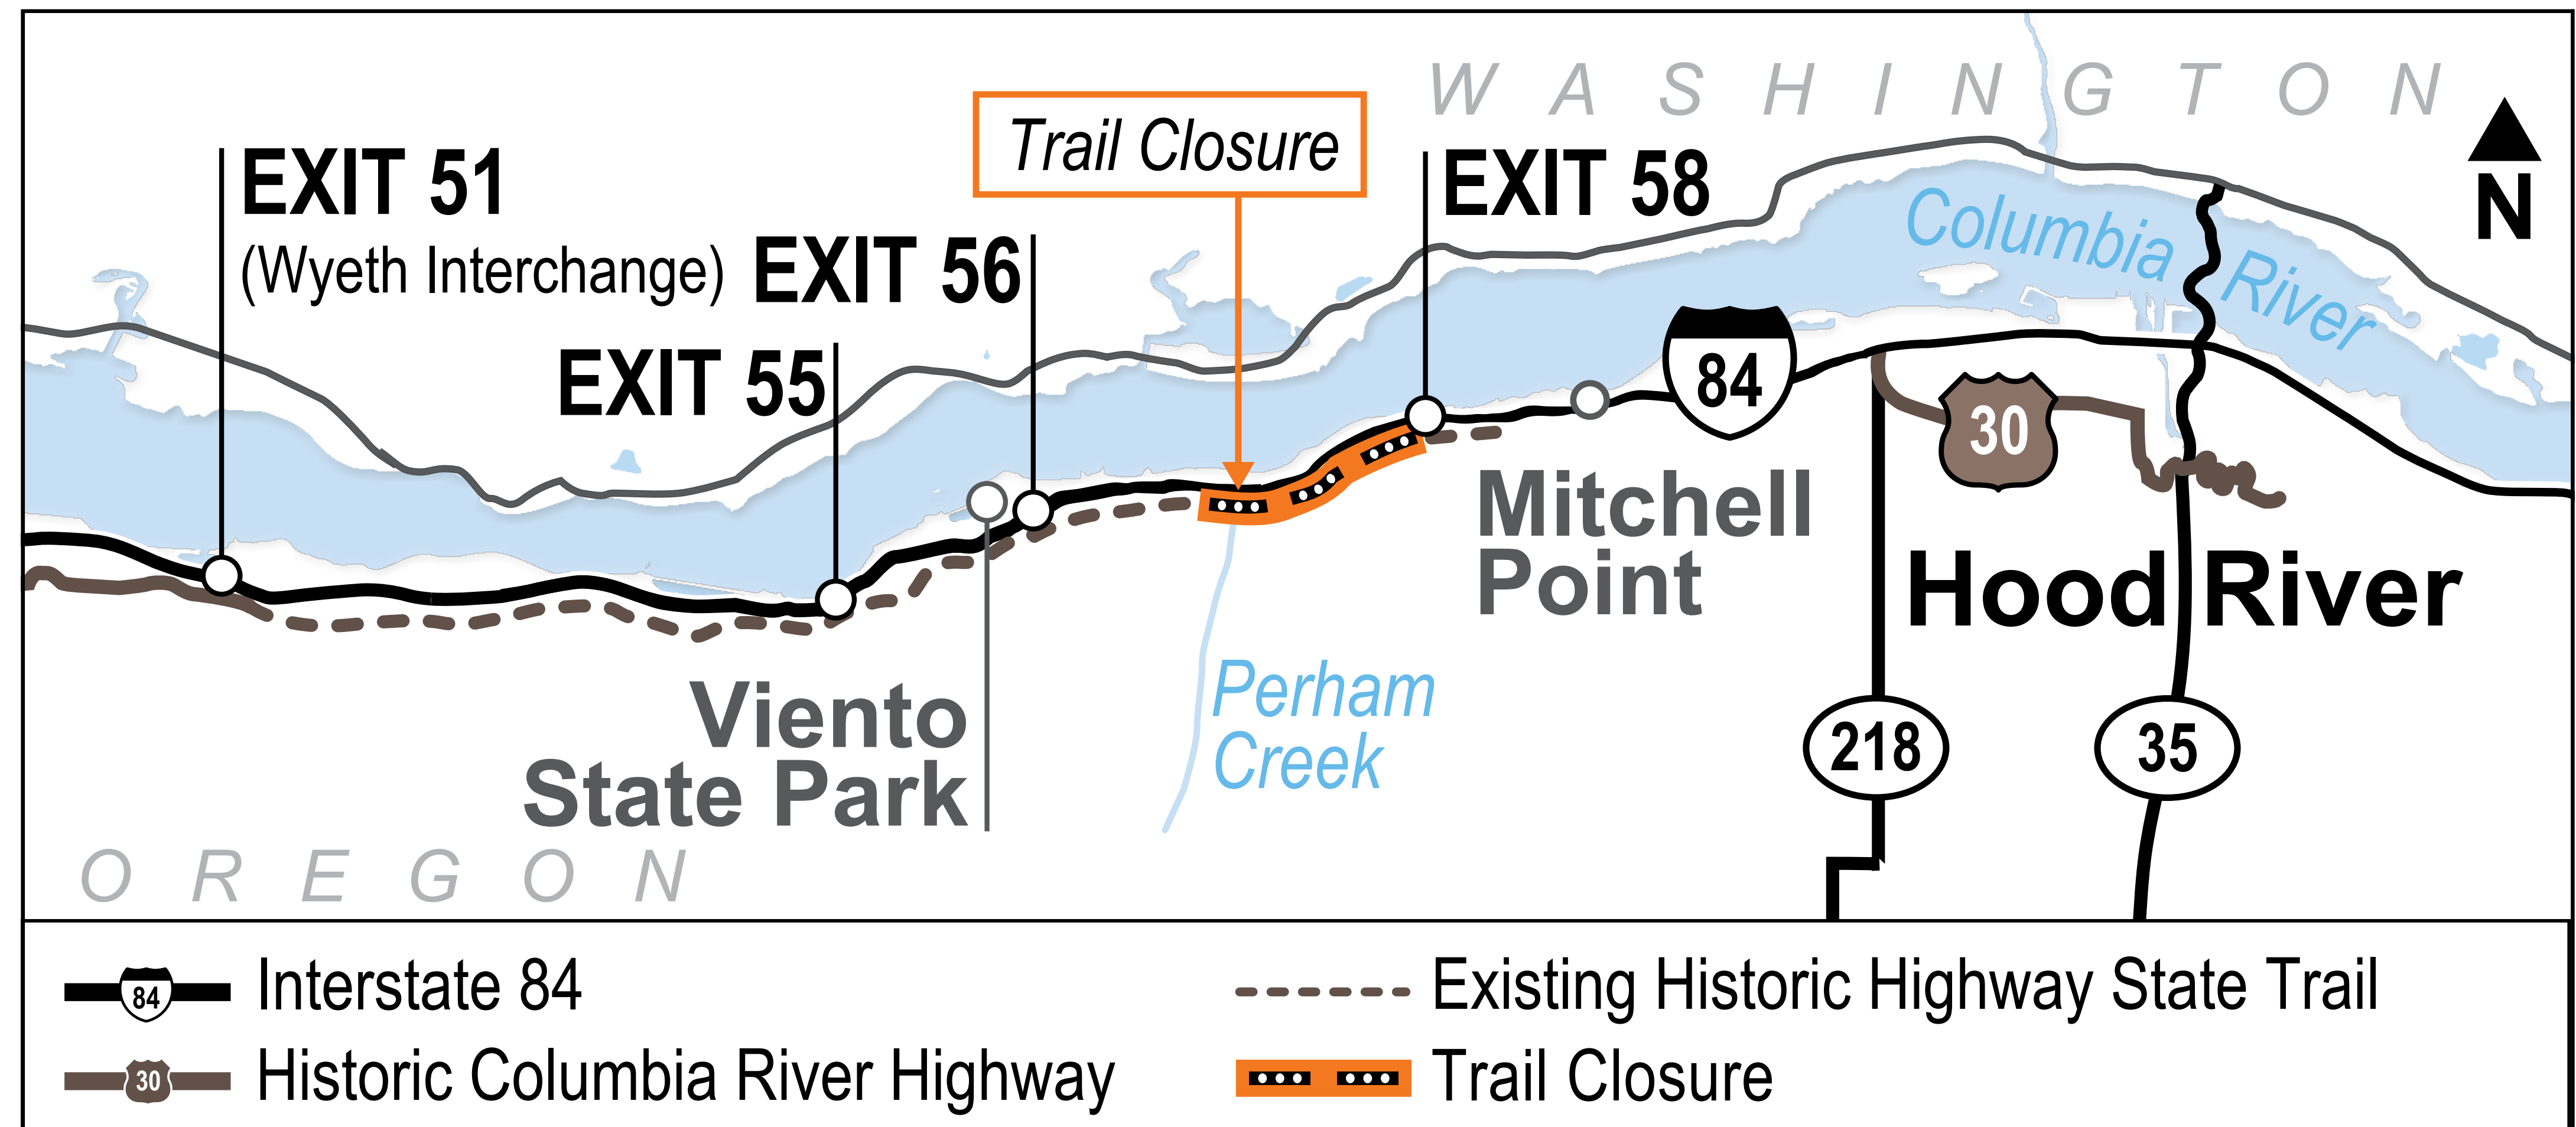

Trail closed between Perham Creek and Mitchell Point until fall 2026

The Historic Highway State Trail is temporarily closed two miles east of Viento State Park while we pave the 0.7 mile gap between Perham Creek and Mitchell Point. Viento State Park and the Mitchell Point Tunnel both remain open throughout construction. Use an alternate route.

Paving the 0.7 mile gap will complete nearly 10 miles of continuous car-free trail for people walking, biking, and rolling between Wyeth State Park and the Mitchell Point Tunnel. This segment of the trail is anticipated to re-open in fall 2026.
