

BARBUR CROSSROADS SAFETY PROJECT

Construction Begins in November 2021

About the project

The Oregon Department of Transportation is getting ready to start construction on a project to improve safety and reduce crashes in the Barbur crossroads area where SW Barbur Blvd, SW Capitol Hwy and SW Taylors Ferry Rd meet.

Project elements include:

- Updated, accessible sidewalk curb ramps on eight corners in the project area.
- New pedestrian countdown signals at the Barbur intersections with Taylors Ferry Rd and Capitol Hwy.
- Wider sidewalk on the east side of Capitol Hwy between Barbur Blvd and Taylors Ferry Rd.
- A right turn only lane for eastbound traffic on Taylors Ferry Rd approaching Barbur Blvd.
- Removing the option to turn left from SW Capitol Hwy (northbound) onto SW Barbur Blvd or the I-5 south on-ramp.
- New green bicycle markings on Barbur Blvd through the intersection with Taylors Ferry Rd, at the entrance to Barbur Transit Center, and across Capitol Hwy.

Safety Improvements

- Improved Sidewalk
- New Right Turn Only Lane
- New Bicycle Markings
- ← Prohibited Left Turns

(Not shown on map: accessible sidewalk curb ramps at all three intersections and pedestrian countdown signals at two intersections.)

Project schedule and information

Construction begins in November 2021 and we expect it to continue until summer 2022.

Expect construction impacts in the area

If you travel in the Barbur crossroads area, expect traffic impacts, construction noise, and possible delays during construction, including:

- Regular lane closures on Barbur Blvd, Capitol Hwy and Taylors Ferry Rd.
- 24/7 right lane, right turn or shoulder closures for up to a week at a time during concrete pouring and curing.
- Some limited road closures up to 20 minutes for signal work or sign installation.
- Some limited nighttime ramp closures on the I-5 ramps in the area for sign replacement.
- Nighttime noise. **For nighttime noise concerns, call 503-276-7812.**

Traffic impacts will change throughout construction as crews complete different activities. Check the project website or **TripCheck.com** to know what to expect as you plan your trips.

BARBUR CROSSROADS SAFETY PROJECT

The Oregon Department of Transportation is getting ready to make changes in the area where Barbur Boulevard, Capitol Highway and Taylors Ferry Road meet in Southwest Portland.

This project will improve safety for travelers. It will change operations in the crossroads to ensure people who walk, roll, bike and drive are taking the safest paths available.

Schedule

Construction begins in November 2021 and we expect it to continue until summer 2022. Find more detail about expected traffic impacts inside.
