

FULL CLOSURE ON I-5 AND CONNECTING ON-RAMPS AND OFF-RAMPS

I-5 will close overnight on Saturday, May 16 in both directions between State Route 14 (Exit 1A) in Washington and N Alberta Street/Swan Island (Exit 303). The closure is scheduled from **11 p.m. Saturday to 6 a.m. Sunday.**

PROJECT OVERVIEW

We are installing advisory speed signs and traveler information signs and relocating green guide signs in seven locations along I-5 between I-405 and N Marine Drive in North Portland. These signs will help reduce crashes, improve travel time reliability and enhance transit operations by providing real-time traffic information.

OVERNIGHT CLOSURE TRAVEL IMPACTS

In order to maintain a safe work zone while construction crews operate large cranes to install two new sign bridges on I-5 at the same time, I-5 will close overnight between SR-14 (Exit 1A) in Washington and N Alberta Street (Exit 303). The new sign bridges will span the full width of the freeway, across all lanes in both directions. In the work area travel lanes and entrance and exit ramps on I-5 will close. Only one lane on the bottom deck of the Fremont Bridge (I-405) will remain open to access southbound I-5. Lane closures begin at 7 p.m. so crews can set up for the full closure. Project area and detour routes shown on next page.

NOISE IMPACTS DURING CONSTRUCTION

Daytime and nighttime construction noise will occur periodically from heavy equipment, construction trucks, vehicle back-up alarms (a requirement by the Occupational Safety and Health Administration), drilling and other equipment such as compressors, pneumatic tools, and potentially nighttime flagging with generators. Those working or living in the area may be affected. ODOT will apply construction noise mitigation measures to reduce noise impacts to surrounding neighbors.

I-5 closed in both directions on May 16, 2020 from 11 p.m. to 6 a.m.

Lane closures begin at 7 p.m. See maps for closure areas and detour routes.

 **New sign bridge locations.**

 **Area of full I-5 closure.**

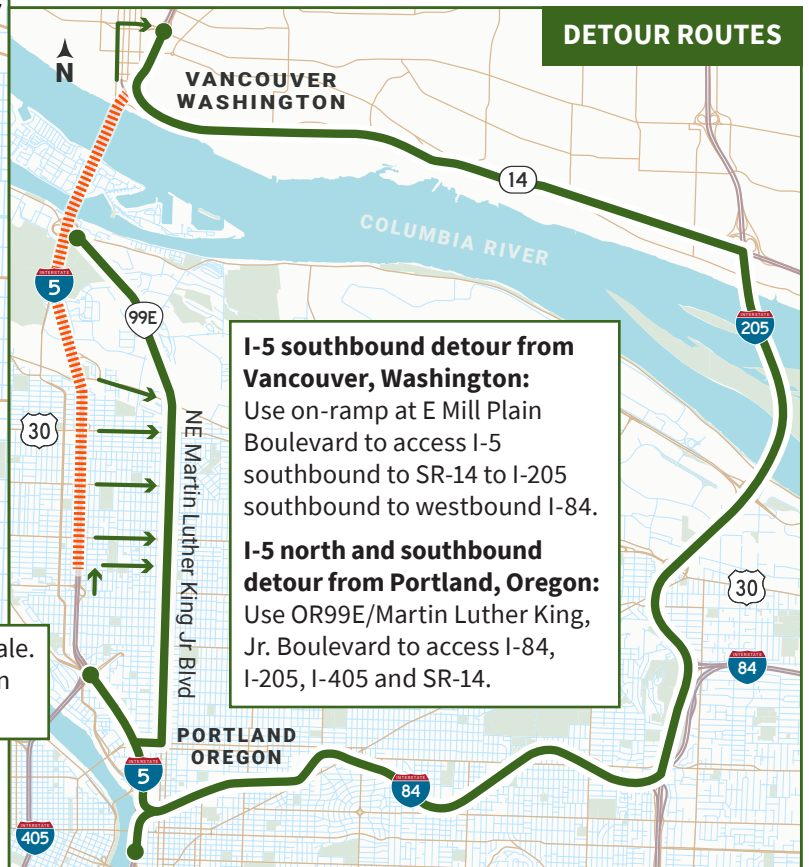

Traffic impacts during the overnight closure include:

- I-5 southbound closed at SR14 (Exit 1A) to N Alberta Street/Swan Island (Exit 303).
- I-5 northbound closed at N Alberta Street (Exit 303) to N Marine Drive/NE Martin Luther King Jr., Boulevard.
- In Washington, westbound SR14 on-ramp and West 5th Street on-ramp to southbound I-5 will be closed.
- Hayden Island on-ramp closed to southbound I-5.
- I-5 southbound on-ramp closed from N Marine Drive/NE Martin Luther King Jr., Boulevard interchange.
- I-405 northbound on-ramp closed to northbound I-5.
- I-405 northbound off-ramp to N Kerby Avenue closed—ramp will remain open to emergency vehicles only.

Ramps to remain open include:

- I-5 northbound off-ramp to N Greeley Avenue.
- I-5 northbound off-ramp to N Alberta Street.
- I-5 northbound on-ramp from NE Marine Drive.
- I-5 northbound off-ramp to Hayden Island/Jantzen Beach.
- I-5 northbound on-ramp from Hayden Island/Jantzen Beach.
- I-5 southbound on-ramp from N Alberta Street.
- I-5 southbound on-ramp from N Going Street.
