11th North of Smith Rock Way

Side Street (B Ave, C Ave, Central Ave) and US97 ADA Intersection Improvements

Maintain existing US97 lane configuration

Proposed Cross Section

Improved 11th Street with Sidewalks and Bike Lanes Throughout the Community and Maintained Two-Way Traffic

All-way Stop Controlled Intersection at 11th/Smith Rock Way & 11th/Central Ave to Improve Safety

H Street Extension to Facilitate Future Improvements

K21162 US97: Lower Bridge Way - NW 10th St (Terrebonne)

Preliminary Design Subject to Change
Date: August 4, 2021
