

Firms or entities wishing to purchase hand sanitizer may do so from local distilleries as supported and outlined in the guidelines provided by the FDA.

If a firm is not able to purchase hand sanitizer from the State of Oregon, through local agencies, or Tribal Emergency Manager, the firm may search for licensed distilleries located on the Oregon Board of Pharmacy website.

Search Criteria

License Type:

License Status:

License Number:

Facility Name:

Owner:

City:

State:

County:

Zipcode:

Under license type, select “Manufacturer”. To narrow the search, select “Oregon” to obtain information specific to state Distilleries and a city, if preferred. As an example of licensed distilleries, the results would look like this.

Name	License #	License Type	Status	Address
AIRGAS USA LLC	M-0001411	Manufacturer	Active	EUGENE OR 97402
CRESCENDO SPIRITS	M-0003371	Manufacturer	Active	EUGENE OR 97402
ELECTRICAL GEODESICS INC	M-0003112	Manufacturer	Active	EUGENE OR 97401
ELIXIR	M-0003367	Manufacturer	Active	EUGENE OR 97402
HERITAGE DISTILLING COMPANY INC	M-0003374	Manufacturer	Active	EUGENE OR 97402
INDUSTRIAL SOURCE	M-0001602	Manufacturer	Active	EUGENE OR 97402
LANE BLOOD CENTER	M-0001927	Manufacturer	Active	EUGENE OR 97405
ORGANIC CONSULTANTS INC	M-0002776	Manufacturer	Active	EUGENE OR 97402
PRAXAIR DISTRIBUTION INC	M-0002722	Manufacturer	Active	EUGENE OR 97402
THINKING TREE SPIRITS LLC	M-0003360	Manufacturer	Active	EUGENE OR 97402

In an effort to streamline communication, the firm or entity contacts and contracts directly with the distillery.
