## 3.2 Local Plan requirements

I agree that the Local Plan(s), either separately or together, contain all of the information required by OAR 732-040-0005(19).

Yes

## 4. Accountability

### 4.1 Accountability methods

**Qualified Entity Accountability:** By checking this box, I affirm that all of the necessary policies and procedures are in place to provide reasonable assurance that compliance of the Qualified Entity with OAR 732, Divisions 40 and 42 is met, and to achieve the goals and outcomes specified in this STIF Plan, including, but not limited to: program and financial management, operations management, procurement, use and maintenance of equipment, records retention, compliance with state and federal laws, civil rights, and compliance with ADA.

Yes

**Sub-Recipient Accountability:** By checking this box, I affirm that all of the necessary policies and procedures are in place to provide reasonable assurance that compliance of all Sub-Recipients with OAR 732, Divisions 40 and 42 is met to achieve the goals and outcomes specified in this STIF Plan, address deficiencies in Sub-Recipient performance, and to provide reasonable assurance that the Qualified Entity can accomplish the applicable requirements of these rules, including but not limited to: audit and compliance requirements, accounting requirements, capital asset requirements, and reporting requirements.

Yes

## 4.2 Sub-Allocation method

**By checking this box, I affirm that all data used to develop the sub-allocation method was shared with each Public Transportation Service Provider and other potential sub-recipients, as relevant.**

Yes

**Describe the Qualified Entity's method for sub-allocating STIF Formula Fund moneys and the collaborative process used to work with Public Transportation Service Providers and other potential Sub-Recipients, as relevant, to develop the sub-allocation method.**

The population of Warm Springs is 5,311 and Jefferson County is 25,330. Warm Springs will consider, as a starting point for funding prioritization, where payroll tax originated (by city or region), using population as a general proxy for payroll. Warm Springs will support projects that serve and connect all communities within the County and to fund multi-county projects proportionately based on their value to residents. Warm Springs will support projects formally funded by STF (Special Transportation Funds) that serve older adults and people with disabilities. Warm Springs will support projects more efficiently and effectively served by other Providers to do the following: create employer vanpools, and create connections outside Central Oregon to places such as Mt. Hood, The Dalles, Portland, Kah-Nee-Ta Resort, and nearby tribal communities. The amount of sub allocation is not considered a guaranteed entitlement, but rather is looked at as a starting point for Warm Springs.

**Upload Response**

## 4.3 High Percentage of Low-Income Households

**Explain how the STIF Plan defines and identifies communities with a high percentage of Low-Income Households.**

The Confederated Tribes of Warm Springs defines a high percentage of Low-Income Households as a census tract or census designated place with a higher percent of Low-Income Households than the statewide average.

**6. Projects**

You may upload Sub-Recipient Project Applications instead of manually entering the information for each sub-recipient. All uploaded Sub-Recipient Project Applications must have been submitted to the Qualified Entity's STIF Advisory Committee, approved by the Qualified Entity's Governing Body, and will be part of the Qualified Entity's STIF Plan.

In addition to this, any Qualified Entities with their own Projects may enter that information directly into the STIF Plan, or may choose to upload their own Sub-Recipient Project Application. In all cases, you cannot split information for a single entity between the STIF Plan and an uploaded Sub-Recipient Project Application. All project information for a given entity must be contained either solely within the Sub-Recipient Project Application or STIF Plan itself.

**Important note:** If you'd like to use this optional upload feature, please enter the total amount from each Sub-Recipient Project Application in the conditional boxes that will appear below (this information can be found in the last section of the Sub-Recipient Project Application). This will ensure that the sum of all Qualified Entity and sub-recipient projects are included in STIF Plan section 7. STIF Plan Summary.

**Would you like to upload any approved Sub-Recipient Project Applications for this STIF Plan?**
