Importance: High

Good morning!

We have a meeting scheduled for this Friday. A few members are unable to attend. The only thing of importance on the agenda is the approval of the STIF Plan application that was sent out to you last month. Another copy is attached to this

email. In lieu of an in-person transportation committee meeting on Friday, Chair Kelly-Irvin has agreed that we can review and vote on the plan via email.

The plan includes the following priorities set by the committee at last month's meeting:

1. Continue funding a Transportation Assistant
2. Continue with the Volunteer Program
3. Purchase of an ADA equipped vehicle
4. Reserve money for capital projects

If you agree to the meeting by email and approve the attached plan, so state by return email not later than Friday, January 8 so we can get this on the Council agenda for January 14th. I know some of you only have cell phones to read your emails so if you would prefer a hard copy of the plan, let me know.

Thank you for your attention to this important transportation grant application!
