3.2 Local Plan requirements

I agree that the Local Plan(s), either separately or together, contain all of the information required by OAR 732-040-0005(19).

Yes

4. Accountability

4.1 Accountability methods

Qualified Entity Accountability: By checking this box, I affirm that all of the necessary policies and procedures are in place to provide reasonable assurance that compliance of the Qualified Entity with OAR 732, Divisions 40 and 42 is met, and to achieve the goals and outcomes specified in this STIF Plan, including, but not limited to: program and financial management, operations management, procurement, use and maintenance of equipment, records retention, compliance with state and federal laws, civil rights, and compliance with ADA.

Yes

Sub-Recipient Accountability: By checking this box, I affirm that all of the necessary policies and procedures are in place to provide reasonable assurance that compliance of all Sub-Recipients with OAR 732, Divisions 40 and 42 is met to achieve the goals and outcomes specified in this STIF Plan, address deficiencies in Sub-Recipient performance, and to provide reasonable assurance that the Qualified Entity can accomplish the applicable requirements of these rules, including but not limited to: audit and compliance requirements, accounting requirements, capital asset requirements, and reporting requirements.

Yes

4.2 Sub-Allocation method

By checking this box, I affirm that all data used to develop the sub-allocation method was shared with each Public Transportation Service Provider and other potential sub-recipients, as relevant.

Yes

Describe the Qualified Entity's method for sub-allocating STIF Formula Fund moneys and the collaborative process used to work with Public Transportation Service Providers and other potential Sub-Recipients, as relevant, to develop the sub-allocation method.

Sherman County is the qualified entity and Sherman County Community Transit is the only public transportation provider in Sherman County. The STIF Advisory Committee noted this and determined there was no reason to sub-allocate. Sherman County Court approved this recommendation.

4.3 High Percentage of Low-Income Households

Explain how the STIF Plan defines and identifies communities with a high percentage of Low-Income Households.

For the purposes of the County Commission review of the STIF projects, the definition of 'high percentage of low-income households' shall be: Sherman County is an area determined to have a high percentage of low-income households when the percentage of resident/household population demographics with income at or below 200% of the poverty level exceeds the percent of low-income population demographics in the State of Oregon by comparison. We utilized the 2023 Census and gathered information regarding the total population for Sherman County which is 1,951 and of that 14.5% are under the 200% poverty level, $1,951 \text{ total population} \times 14.5\% \text{ persons in poverty} = 283 \text{ low income individuals} / 2.42 \text{ person per household} = 117 \text{ low income households}$.

6. Projects

You may upload Sub-Recipient Project Applications instead of manually entering the information for each sub-recipient. All uploaded Sub-Recipient Project Applications must have been submitted to the Qualified Entity's STIF Advisory Committee, approved by the Qualified Entity's Governing Body, and will be part of the Qualified Entity's STIF Plan.

In addition to this, any Qualified Entities with their own Projects may enter that information directly into the STIF Plan, or may choose to upload their own Sub-Recipient Project Application. In all cases, you cannot split information for a single entity between the STIF Plan and an uploaded Sub-Recipient Project Application. All project information for a given entity must be contained either solely within the Sub-Recipient Project Application or STIF Plan itself.

Important note: If you'd like to use this optional upload feature, please enter the total amount from each Sub-Recipient Project Application in the conditional boxes that will appear below (this information can be found in the last section of the Sub-Recipient Project Application). This will ensure that the sum of all Qualified Entity and sub-recipient projects are included in STIF Plan section 7. STIF Plan Summary.

Would you like to upload any approved Sub-Recipient Project Applications for this STIF Plan?
No

6.1 Project Detail Entry

Project 1

Qualified Entity or Sub-Recipient Name
Sherman County

Project Name
Service Operations

Project Description

STIF formula funds are our primary source of funding for service operations. These funds will be allocated to cover the cost of ongoing on-demand non-emergency medical rides for all Sherman County residents including seniors and disabled individuals not covered by Veteran funding or Medicaid reimbursement. Service operations include a weekly shopping trip to The Dalles and Hood River once monthly and student transportation.

Project using planned carry forward funding:

Do you plan to set aside funding that you receive during this biennium to pay for expenses related to this project in a future biennium?

No

How much of the Project budget will be used to improve or expand services, and how much will be used to maintain existing services?

Improve or Expand Service

10%

Maintain Service

90%

Please explain why all or part of this project is maintaining an existing service

Sherman County, Oregon is a rural community spanning 103 miles of US 97. Our services are imperative to connecting individuals with necessary medical facilities and shopping centers not available in our rural area. 14.5% of individuals are below the poverty line and 26.1% of the population are seniors.
