

Josephine Co. Safety Improvements

Total Projected Cost:

\$827K

Construction Schedule: 2019

Overview: This project will address various safety improvements on two highways in Josephine County. Typically, these highways have higher than normal highway departure crashes than other highways.

Project Description: this project will install centerline rumble strips, curve warning signs and chevrons, recessed pavement markers and replace striping on:

- Oregon 260 (Lower River Road-Rogue River Loop) MP 1.3-22.24
- Oregon 99 (Rogue River Highway) MP 0-14.95

Azalea Drive and Robertson Bridge Road (Josephine County Roads)

Project Description: This intersection, southwest of Merlin, has a high crash rate. This project will install triangle sight distance, improve intersection warning signs and install Rectangular Rapid Flashing Beacon. \$186K.
