

Historic Columbia River Highway

Master Plan

Oregon Department of Transportation

Historic Columbia River Highway

Master Plan

Revised January 2006

Oregon Department of Transportation

Jeanette B. Kloos
Scenic Area Coordinator

This document was prepared by Oregon Department of Transportation with advice and direction given by the Historic Columbia River Highway Advisory Committee. Current members of the HCRH AC include:

Bill Pattison, Chair
Hood River County

Ernie Drapela
Multnomah County

Wayne Stewart, Vice-chair
Multnomah County

Art Carroll
Hood River County

Carolyn Wood
Wasco County

Jerry Igo
Wasco County

Matthew Garrett
Oregon Department of Transportation

Jack Wiles
Oregon Parks and Recreation Department

Karen Viehoever
Oregon Tourism Commission

James Hamrick
State Historic Preservation Office

All past and present members of the HCRH AC are listed in Appendix 22.

Figure Acknowledgement

Figures 5 and 40 were provided by the Columbia River Gorge National Scenic Area Forest Service.

The stipple drawings were produced by the Historic Columbia River Highway Recording Project, sponsored by the Historic American Engineering Record. The field team included Elaine G. Pierce, Architect and Field Supervisor; Vladimir V. Simonenko, Architect; Christine Rumi and Pete Brooks, Architectural Technicians; Helen I. Selph and Jodi Zeller, Landscape Architectural Technicians; Robert W. Hadlow, Historian; and Jet Lowe, Photographer.

Figures 2-4 and 6 were produced by Darla Cole-Bowen, ODOT Region 1 Public Affairs.

ODOT's collection of hand-painted, glass slides are used for historical perspectives.

Other photographers include: Orrin Russie, James Norman, Robert Hadlow and Jeanette Kloos from ODOT and Dave Sell, Western Federal Lands Highway Division, Federal Highway Administration.

Layout and photo correction/retouching provided by Mark Falby and Cathy Sattergren, ODOT Design Services
