Beavercreek Rd: Molalla Ave - S Maplelane Rd (Oregon City)  
Oregon City - Clackamas County  

**Project Description**
Installs signals, signs, flashing lights and signal connectivity improvements to increase safety on Beavercreek Road in Oregon City.

**Purpose And Need**
Beavercreek Road between Molalla Ave and S Maplelane Rd has many rear-end crashes, especially from the northern approach and from both approaches on Beavercreek Road.

**Proposed Solutions**
- Improve signal hardware, install signage and remove trees throughout the corridor.

**Anticipated Benefits**
- Updated signal timing will improve traffic flow in the corridor and help vehicles making the decision to stop or continue through an intersection, improving traffic operations and increasing safety.

**Cost**
- All Roads Transportation Safety: $1,020,822
- Oregon City: $94,556
- Estimated Total Cost: $1,215,378
