**I-84: Fairview - Marine Drive**

**ODOT - Multnomah County**

### Project Description

Repaves a section of Interstate 84 (Columbia River Highway) between Fairview and Marine Drive and replaces the signal at the NE 238th Avenue off-ramp.

### Purpose And Need

The highway surface is deteriorating with ruts and cracking. The signal at the NE 238th Avenue off-ramp is outdated.

### Proposed Solutions

- Repave a section of I-84 between Fairview and Marine Drive.
- Replace the signal at the NE 238th Avenue (Exit 16) off-ramp.

### Anticipated Benefits

- Extended life of the highway, reduced future maintenance, and a smoothed out ride for travelers.
- Improved safety with a new signal by increasing visibility for drivers and enhanced operations with an increased ability to control signal timing and improve traffic flow through the intersection.

### Cost
