US26: SE 8th Ave - SE 87th Ave
ODOT - Multnomah County

Project Description
Updates signals and improves intersection warning signs along US26 (Powell Boulevard) between SE 8th and SE 87th Avenues to improve safety.

Purpose And Need
There were 1,184 crashes at intersections along Powell Boulevard from 2011 to 2015, including 28 pedestrian related crashes. The signal updates and signs will increase safety.

Proposed Solutions
- Install updated signals and improved intersection warning signs.
- Trim vegetation to improve visibility.

Anticipated Benefits
- Improved safety by installing intersection warning signs and upgrading signals along Powell Boulevard.
