Portland Metro and Surrounding Areas Safety Reserve
ODOT - Various Counties

Project Description
Designates funds to respond to urgent safety concerns throughout ODOT Region 1, which includes all of Multnomah and Hood River Counties as well as most of Clackamas and Washington Counties.

Purpose And Need
This reserve of funds will address urgent safety needs that cannot be funded with existing project scopes. Funds can also be used for cost increases on safety projects that are already in an approved STIP and for Road Safety Audits and implementation as funding allows.

Proposed Solutions
- Designate funding to address urgent safety concerns as needed.
- Fund Road Safety Audits to determine and prioritize upcoming safety needs.

Anticipated Benefits
- Reduced response times to urgent safety concerns that are not scheduled to be addressed through another project.
- Increased information through Road Safety Audits that can help ODOT determine and prioritize areas in need of future projects to improve safety.

Operations funds will help respond to urgent safety needs and conduct Road Safety Audits.
