<u>Project #</u>	<u>Project Name</u>	<u>Project Total</u>
23DRVED-003	Statewide Services - Driver Education	\$285,000 (+\$50,000) State Driver Ed Fund

Moving \$50,000 from Reg 5 Adaptive Strategies grant to 23DRVED-003 DE Statewide Services grant to cover production/printing costs for the R3 Driver Education Curriculum and Instructor Manuals. Production costs had been estimated based on the previous revision in 2016 but estimate was not enough to cover actual costs. There was limited activity in the Reg 5 grant due to inability to identify entities available for grant activities and objectives. Additional strategies are being considered for the coming fiscal year for Region 5 DE.
