Oregon State Police – Patrol Services Division  
Ignition Interlock Device Program

**To:** Governor’s Advisory Committee on DUII  
Chair: Mr. Chuck Hayes and Members of the Board:

The following is the monthly update for the Ignition Interlock Device Program (IID).

- We have one new staff member filling an AS2 position and she is currently in training for that role. We will be opening one compliance specialist position at the beginning of the year with the goal of having it filled by March 1, 2026.
- Due to the staffing changes, our focus currently are our core transactions and continuing to have responsive and timely customer service.
