

Legislative Concepts Under Consideration for 2025 Session:

- Accident to Crash
- Implementing an open container law for cannabis and other drugs
- .05 BAC per se impairment threshold (MADD National is supporting this)
- Increased penalties for DUII crashes that result in serious injury or death
- Zero tolerance for cannabis use under the age of 21
- Sobriety checkpoints
- Increased penalties for poly-substance DUII convictions (based on new Utah law)
- FDA-approved medication to be the only drugs allowed during DUII diversion
