TO: Governor's Advisory Committee on DUII

FROM: Mike Pelkey, Sergeant
IID Program | Oregon State Police

SUBJECT: **Agency Liaison Report – February 7th, 2025**

This report is intended to provide a brief update on the state's Ignition Interlock Device Program. Please advise if there are any questions.

Installation Compliance – No update since January's meeting. Currently at 18.86% installation rate for driver's requiring an IID.

OSP IT is currently building a new electronic reporting process for the IID companies to leverage. This will be the first step in modernization of the state's IID Program, allowing for future reporting advances and increased statistical data gathering.

The next Oregon Interlock Advisory Committee will be held on Monday, March 3, 2025, at 9:00 am. Topics to be discussed includes installation compliance rates and how we as a state can adopt rules to increase compliance.

Kind Regards,

Sergeant Mike Pelkey
