

OTSC Liaison Report

Written April 2025

CLEAR Alliance

During the month of March, the team at CLEAR Alliance has continued to progress on its projects.

The Vape Course (VAPEC) has been reviewed by all stakeholders and has entered the piloting stage. Piloting will include reviews from over 60 students. The coursework's toolkit effectiveness will be reviewed by educators during piloting as well.

Production has been completed for the first cannabis focused impaired driving commercial. The commercial has been created in an informative style featuring cannabis specific impaired driving data. The commercial has been translated into Spanish. Both the English and Spanish commercials will launch on April 1st.

The first CLEAR Alliance Victim Impact Panel is scheduled to commence on April 25th in Madras, Oregon. The panel will be held in person once a month.
