

# Pedestrian 2022

# Program Background

The Pedestrian Safety program seeks to reduce the number of injuries and fatalities involving pedestrians in motor vehicle crashes on Oregon's roads. The public information campaign supports that goal by encouraging pedestrians and drivers to watch out for one another, reduce distractions, follow commonsense safety tips and respect Oregon's right-of-waylaws.

Gard supported TSD in this effort by developing and placing educational awareness media materials statewide, amplifying core messages and focusing on target audiences September - October 2022.

Multi-modal road users

# Paid Media Campaign Summary

- Media Buy Dates: 09/19/22 10/31/22

- Total Budget: \$66,892 (+ \$13,846.14 added value)
- Media Areas: Social Media, Transit
- Total Impressions (Digital): 6,334,940

# 2022 Messages

"No Matter the Season" – In 2022 to support the efforts reminding Oregonians of the safe user behaviors on shared multi-modal roads – similar messages to drivers, passengers and pedestrians were produced and placed on posters asking people to share the road and look out for one another no matter the season

"Cross Safely" – To highlight White Cane Day during Pedestrian Safety Month, a series of new animated creatives were produced and placed to both encourage use of the cane to help blind pedestrians while traveling, and help people driving to identify a blind or low vision person and yield to them.

"Stand Out Together" – The new :30 video's message focused on reminding viewers that no matter the season or weather, incorporating safe habits like wearing bright clothing, avoiding distractions and making sure to follow street signage keeps Oregonians safe and healthy.

### Post Card Overview

#### *ia pie y sobre ruedas, seamos todos* VISIBLES EN LA NOCHE!

La mayoría de los accidentes en los que muere un peatón ocurren al anochecer o de noche, cuando es más diffcil ver. Así que mientras conduce, es importante...

Esté más atento al anochecer. A medida que cae la tarde, es aún más difícil ver a los peatones detrás del volante. Así que mantenga los ojos bien abiertos.

Anticipe que habrá peatones en las esquinas y en los cruces peatonales. Esté preparado para detenerse.

Reduzca la velocidad y eche un vistazo al camino que tiene frente a usted. Esté atento a las siluetas en movimiento en la oscuridad.

HAGASE NOTAR AL CAMINAR, HAGASE VISIBLE ... Evite la ropa oscura que se camouflage con el entorno. Mejor use colores brillantes durante el día y algo reflejante por la noche.

Use ropa reflejante. Utilice linternas o una lámpara en la cabeza siempre que esté oscuro, llueva, haya neblina o esté nublado.

3 AL CRUZAR.

MASO LIBRE DE DISTRACCIÓ EN TODO MOMENT En una avenida de varios carriles, intente detenerse 30 pies

(CUIDÉMONOS TODOS) Para obtener más recursos e información sobre los peatones v programa de seguridad para ciclistas, visite oregonwalkbike.org

Conduzca, camine y viaje con cuidado. Es la forma de hacerle. Transportation Safety – ODOT

Siempre que sea pesible, cruce la calle en un cruce de peatones o en una intersección marcada. Si no hay una, busque un área bien iluminada donde tenga la mejorvisivilidad del tráfico.

Antes de cruzar, alerte a los conductores que tiene la intención de hacerlo sacando un pie, un brazo o un bastón.

Cruce sólo después de haber observado el paso de los autos en todas las direcciones y obedezca todas las señales para los peatones. Sólo cruce después de haber observado el paso de los autos en todas direcciones y obedezca todas las señalizaciones para los peatones.

Al cruzar una calle de varies carriles, no asuma que el tráfico de todos los carriles se detendrá. Al avanzar en cada carril. asegúrese de que el conductor se detenga.

### In Conclusion

2022's Pedestrian Safety program continued to support Oregon multiple multi-modal road users with messages tying them all together under the, "Look Out For Each Other" call to action. These included

-Social Media highlighting "White Cane Day" for the visually impaired.

-Transit focused on multi-modal road users and seasonality

-Video and print media focused on seasonality and sharing the road.

Thank you.
