

DRIVER EDUCATION PROGRAM
Oregon Department of Transportation
Driver and Motor Vehicle Services – Transportation Safety Office

POLICY 051015

COMMUNITY ELIGIBILITY PROGRAM

Per administrative rule, a provider is required to provide documentation to show that they (or their designee) has witnessed, first hand, the low / no income eligibility of the student registering for a driver education course in order to provide the state reimbursed additional subsidy. It is not the provider's responsibility to assist families in providing proof, only to document and verify that proof.
